# THE RAM 1500 WARLOCK

## UNLEASHED AND HUNGRY FOR UTES

### 5.7L V8 HEMI ENGINE

The RAM 1500 Pickup Truck offers the only V8 Hemi engine in its class, and is without a doubt one of the most powerful. The V8 Hemi delivers 291kW of power and 556Nm of torque on demand, while delivering the unmistakable V8 rumble to announce your arrival.

### UP TO 4.5T MAX BRAKED TOWING

With a huge 5'7" Cargo tub with space to load a full size pallet, the Warlock has a mighty 4.5 tonne max braked towing capacity and comes fitted with trailer brake control, whatever you're towing, you'll do it with ease.

### MENACING EXTERIOR

A Rebel front grille with striped decalled sports hood, Rebel front and rear bumpers, 20-inch black rims, black-smoked headlamps, accent badging and Warlock decals combine with the factory suspension lift to enhance the off-road ability of the RAM 1500.

### RAMBOX®

More than a toolbox, these lockable storage units are built into the side rails of the tub and feature lighting and drainage. Standard equipment with Rambox® includes a tri-fold tonneau cover and bed divider/extender for added convenience.

### CONNECTIVITY & COMFORT

Inside the spacious crew cab the Warlock has leather-trimmed electric seats, centre floor console with central storage including USB & AUX outlets, and genius rear folding-flat floor storage. The impressive list of convenience features continues with steering wheel mounted audio controls, steering wheel switches with phone, voice recognition, instrument panel control, cruise control and transmission control. The huge central UCONNECT® 8.4-inch Touchscreen allows for satellite navigation, Apple CarPlay™ and Android Auto™ connectivity at your finger tips.
