*Extended Capped Price Service offer applies to standard service schedule items up to 210,000km scheduled service (as outlined in the Warranty and Service Handbook) for D-MAX and MU-X models. Capped Price Servicing is manufacturer log book servicing. Excludes any other service or maintenance work required including if your vehicle is operated under severe or unusual conditions or if your vehicle is modified in such a way that requires any specialised or non-manufacturer approved servicing. Any non-regular service/repair items are at additional cost. Capped price services and costs will vary based on vehicle year model, servicing interval and included service components. Offer is only valid for new services booked after 15/04/2020 and is not claimable for services performed before this date. This offer must be mentioned at the time of booking in order to be claimed. This offer does not cover/include Capped Price Free Servicing. [^]35% saving is calculated off retail cost of \$1090.20 on 40,000km scheduled service on 2005 D-MAX actual percentage saving may vary depending on model type, year model and service interval. For more information speak to a Major Motors Isuzu UTE service advisor for full details pertaining to your specific model and associated costs. Major Motors Isuzu UTE reserves the right to update, supersede or cease this offer at their discretion at any time. This offer is not redeemable at any other Isuzu UTE dealer outside of the Major Motors Isuzu UTE Bibra Lake location.
