

CFORCE 625 EPS TOURING

Two Up TOURING

The CFORCE 625 TOURING model features the same long list of improvements as the CFORCE 625 EPS, including sharp new styling, improved independent dual A-arm suspension, four-wheel hydraulic disc brakes and a tighter turning circle.

The 625 TOURING is distinguished by its longer wheelbase for two-up riding as well as a pillion backrest with grab handles, a striking camouflage livery and stylish 12-inch black alloy wheels.
