

UFORCE 1000 EPS TREK

Keep Mother Nature at Bay

The recently updated UFORCE 1000 UTV platform has spawned another offshoot, the UFORCE 1000 EPS TREK Edition.

With its fully enclosed cabin, the Trek's narrative is focused on protection from the elements.

The total value of the TREK accessories is over \$7000, but the new UTV only commands a \$5000 premium over the standard UFORCE 1000 EPS.

Highlights

- Gas assisted automotive grade tilt windshield ■ Wiper and washer system ■ Internal cabin light
- CF Connect rear windshield ■ Full door kit with dual opening windows and in-door storage ■ CFMOTO roof
- Heated driver and passenger seats with two mode adjustability ■ 3500lb winch
- Nerf bars / side steps for added protection
