

MAJOR MOTORS ISUZU

To our Loyal Customers,

Like many of you, we have spent the last few weeks learning about Coronavirus (COVID-19) and making changes in our workplace to continue providing a safe environment for our employees, customers and suppliers.

What is Major Motors doing?

- For the foreseeable future, all Major Motors sites will be a handshake free zone
- Alcohol based hand gel has been provided at reception and all common areas
- Avoidance of close contact with others and maintaining 1.5 metres separation distance at all times
- The disinfecting of any customer vehicle on arrival/departure at our premises, and
- Turning away any non-essential personnel who arrive at Major Motors.

As the situation progresses, we will continue to follow the latest guidance from WHO and other government organisations. We are doing our best to keep business as usual, but as you know the situation is changing on an hourly basis. The health and safety of our people and our customers continues to be our top priority.

Thank-you for your ongoing support, we look forward to seeing you at one of our dealerships soon.

Kind regards,

Bob Pearce
Managing Director
