The InDebted marks include the InDebted name and logo, and any word, phrase, image, or other designation that identifies the source or origin of any of InDebted's products. Please don't modify the marks or use them in a confusing way, including suggesting sponsorship or endorsement by InDebted, or in a way that confuses InDebted with another brand (including your own).

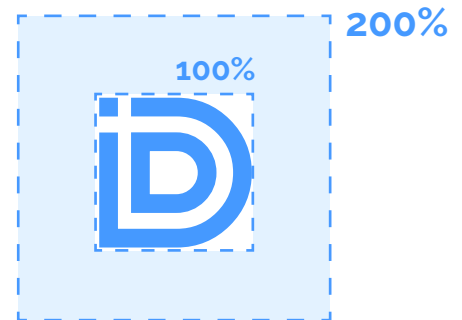

The blue version of the InDebted Icon can ONLY be used on a black or white background. If you are using the InDebted logo on any other background color, use either the black or white monochrome logo.

Do not place the InDebted Icon over background colors that clash. If in doubt, use monochrome!

When using the InDebted Icon with other logos and graphic elements, maintain a safety space that equals 200% the size of the square around the icon.

We politely ask that you don't:

- Use any logos or similar imagery to represent InDebted other than what is found in the InDebted Branding Style Guide.
- Rotate the Icon or alter its positioning in relation to the InDebted name
- Change the colors on the Icon or logo
- Overprint or obstruct any part of the Icon or logo
- Add special effects to the Icon or logo
