

# TRAFFIC NOTICE

FOR DELIVERY OF WIND TURBINE COMPONENTS  
TO THE CHERRY TREE WIND FARM (NEAR  
SEYMOUR)

- Delivery of wind turbine components scheduled for August 2019 to February 2020.
- Delivery in oversized freight trucks accompanied by escort vehicles to ensure safety of road users.
- All main deliveries arrive at site via the Hume Highway, Main Road Tallarook, Upper Goulburn Road onto the Goulburn Valley Highway, Kobyboyn Road and Homewoods Road before entering main wind farm site access (see attached plan).
- Oversized deliveries are scheduled to occur daily (Monday to Saturday) estimated to arrive at Homewoods Road between 3am and 7am each morning.
- There will be up to 4-5 individual deliveries each day.
- The objective is to ensure that all deliveries to site are off the public roads before normal working hours to minimise potential disruption.
- Precise timing and number of deliveries each day may change due to traffic conditions and other external factors.
- Emergency plans and procedures are in place in the event of a breakdown on the public road.
- Regular updates and any changes to the transport plan will be updated on community radio Seymour FM 103.9MHz.
