

Stephen Wood
Chairman: InfoTrack Group of Companies

If Stephen left the room – what would someone say about him?

“

A transformational leader, Steve shines as an example of executive credibility. There is no one quite like him. A rare individual.

”

With a successful and accomplished career spanning in excess of 28 years across the Australian ICT industry, Stephen's professional experience has been focused on the building and rebuilding of various ICT businesses. He possesses a relentless and yet infectious drive and determination to not only meet his aggressive targets but to over achieve every single time, without fail.

Stephen's most recent reign with InfoTrack has seen an incredible growth story since taking on the business in January 2010 as the CEO.

In September 2014 Stephen was awarded the title of Best Mid-Market Leader at the BRW GE Capital Momentum Awards in recognition of his demonstrated leadership in the sector. This includes businesses with annual revenue of between \$10 million to \$250 million.

Of more recency is his promotion to Chairman of the 'InfoTrack Group of Companies'. Managing an impressive portfolio of six businesses sees Stephen work tirelessly to uphold his aggressive growth strategies for global domination in the search industry, enhance his commitment to delivering operational excellence and

support his never failing dedication to customer focus.

Stephen's responsibility for leading and governing the InfoTrack Group of Companies includes:

- InfoTrack Australia
- InfoTrack NZ
- InfoTrack UK
- InfoTrack US
- Scott Ashwood
- STL Group

All who work closely with Stephen comment on what a pleasure he is to know. A giant of a man when it comes to his presence and commercial acumen.

Stephen is one man you want on your side when it comes to business.

Between family and work, Steve never has a spare moment, but on the odd occasion that he does, he continues to be active. From swimming and running to long distance walking and snow skiing, Steve can't sit still for a nano second. He even jumped off a 33 storey building in support of charity - he has no fear.

With a sense of humour to match his superior commercial acumen life is certainly never dull when Steve is around.
