"You should sit  
in meditation for  
20 minutes a day,  
unless you're too busy;  
then you should sit  
for an hour"

-Old Zen saying

# A never-ending supply

# Helping the customer identify waste and the alternative options

Not all waste is the same

We collect reusable waste and up-cycle whatever we can

Opportunities unfold in what we discover

Ready for distribution

***IMAGINE***

not a pile of trash but a pile of people

Everyday new people arrive and are dumped

We help identify their need, their possibilities and their readiness

There are different issues that require different solutions

We can improve their condition, they can improve themselves

We can identify different opportunities

Eventually they may change, become better people and become available
