

Acting Performance Studio is a screen acting technique-based studio, exploring a variety of approaches to the craft of acting. Teens Film Acting technique will explore:

- Will explore and gain a variety of skills and screen techniques for auditions and screen tests
- Participate in regular improvisation exercises to promote spontaneity and encourage imagination.
- Will learn script analysis techniques and scene studies to help you break down and understand the text you are working with.
- Will do regular recorded scene work, rehearsing with scene partners to explore a range of ways to approach scenes.
- Will focus on vocal technique and physicality to develop characters.
- Will have the unique opportunity to review and analyse your scene work in class with our playback monitors.
- Will work with our highly experienced tutors; professional working actors, directors and filmmakers.
- Be supported in your training with expert advice and tips, be encouraged to find your personal approach to the craft.
- Will participate in a variety of drama games, working in partners and teams to help build your confidence, focus and reactivity.
- Will work in a nurturing class environment, supporting you to grow into the best performer you can be.
- Will have all your recorded scene work made available to you at the end of each term to take home.

**Grades 7 - 10** This dynamic acting for film course is suitable for students new to acting through to the more advanced working actor wishing to stay primed. Great for students interested in both stage and screen mediums.

Students are able to trial a class for the cost of \$45. This allows students to trial a class and make sure it's right for them before committing to a whole term.

Our mission is focused on the education of film in the craft of acting. We aim to nurture an individual's gift through offering a variety of courses and workshops that recreate an 'on set' experience to help build and gain the essential skills that go beyond the course and into the real world of the film and television industry. We encourage all performance levels as a supportive all-inclusive environment to develop the individual's artistic language.
