Why have we asked for information about Parent /Guardian occupation and education?

All Australian Education Ministers have agreed on National Goals for Schooling in the 21st Century. As a part of this all school must now ask information regarding the family background of students. The main purpose of collecting this information is to promote an education system which is fair for all Australian students regardless of their background. We use the information to evaluate whether our policies are effective and to ensure that no group is experiencing undue disadvantage because of their economic or social background. Providing information about your occupation and education is voluntary and you do not have to answer if you do not wish to.

The four groups listed on page '2' are used by the Australian Bureau of Statistics to classify occupations. Please choose the group that you think best describes you. If you have retired or stopped work in the past year please choose the group in which you used to work. You will need to use this table to answer the questions on pages 3 and 4.

PUBLICATION & MARKETING PERMISSION

Student Name: _____ Year: _____

Dear Parent/Guardian,

From time to time we are lucky enough to have the opportunity to promote the activities of Alesco Senior College either internally through staff newsletters or externally through the school newsletter or public media such as local newspaper, television news and digital media (e.g. the Alesco website).

If a student is under the age of 16, we require parental consent to be able to use their image or voice. If a student is 16+ we are happy for them to sign the consent form but like to ensure parents are aware of the regulations around use of student images and opinions.

The points of importance are:

- Whenever a student is involved in photographs or opinions for publication we always ensure a staff member has approved the story and is present during the photography.
- We only ever have stories and use images that are appropriate and related to the learning environment.

The school will take all care possible to ensure that any image or opinion is used for legitimate purposes but in the case of Newspaper and Television the image taken by them remains their property.

Please choose one:

I am happy with involvement in promotion of the learning environment if the opportunity arises.

FLEXIBLE SCHOOL ATTENDANCE

PARENTAL SUPERVISION FORM

Student Name: _____ Year: _____

Dear Parent/Guardian,

You are aware from information provided in the school's prospectus that we have a flexible timetable, which allows students to complete the mandatory requirements and necessary outcomes, as stipulated by the NSW Education Standards Authority.

To ensure that Alesco Senior College is compliant and to allow our flexible timetable to continue, we require all parent/guardians to acknowledge parental responsibility for supervision of students on days where there are no timetabled lessons - presently Fridays during the school term.

If the form is not completed, there will be an expectation that the student attends school on a Friday to complete tasks required of them from the staff of Alesco Senior College. We would prefer students to be seeking part-time employment and building their resume, which is the purpose of our flexible timetable.

STATEMENT

As the parent/carer of the above mentioned student, I understand that I am responsible for his/her supervision when there are no timetabled lessons.

The school collects this information to process Flexible School Attendance. The personal information provided will be managed in accordance with the school's privacy policy.

I understand that:

- I am responsible for his/her supervision where there are no timetabled lessons, for the period of their enrolment.
- Flexible School Attendance may be cancelled at any time.

Please choose one:

I agree to the requirements and terms outlined above.

OR

I do not agree, and I understand the student will therefore need to attend school on Fridays.
