

first aid for FARMERS

NATIONALLY RECOGNISED
TRAINING

HLTAID001 Provide cardiopulmonary resuscitation

HLTAID002 Provide basic emergency life support

HLTAID003 Provide first aid

This one-day course is for farmers who may need to provide an advanced first aid response, life support, management of casualty(s), the incident and other first aiders, in a range of situations, including in the home, on the farm, or within the community, until the arrival of medical or other assistance. This is a one-day course based on pre-reading and completion of a workbook before attendance at the course. The workbook will be available when you enrol.

HLTAID003 Provide first aid and HLTAID002 Provide basic emergency life support are valid for three years from date of completion. It is recommended the **HLTAID001 Provide cardiopulmonary resuscitation** unit is renewed every 12 months.

This training is subsidised by the NSW Government. If you are a farmer or are living at home with your farming family who are affected by drought please contact your local College Campus for more information.
