

SGSCC disAbility recognises the importance of privacy.

We are committed to protecting your personal information

This Privacy Policy applies to everything you do with SGSCC disAbility

What Personal Information does SGSCC disAbility collect?

For example we collect your:

- Name
- Contact details
- Information about how best to support you
- Information about what you do with SGSCC disAbility

Your personal information is kept secure and only used on a "needs to know" basis to:

- Support you in the best possible way
- Provide services and supports
- Enable communication
- To determine eligibility to access programs
- To comply with legal obligations
- To monitor and evaluate existing services and plan for future services

SGSCC disAbility Privacy Policy: Easy English Version

Storage of data is in secure files and/or in a cloud based client management system located in Australia

Please help us to make sure your information is up to date by letting us know if any details are wrong or have changed

If you are paying SGSCC disAbility for something, we may collect your:

- Credit/debit card information
- Bank Details
- This information will be deleted once payment has been made
