VO: In 2017, over 400,000 new jobs were created– that’s more than 1100 a day.

So if you’re a small to medium business owner who’s wondering about the next step or has changing business needs, there are Government initiatives to help you hire.

Including financial incentives of up to \$10,000 to employ eligible staff.

If you’re ready to get your business growing, go to jobs.gov.au.
