

Appendix 1 to Policy 2.5 Determining the Responsible Person Present

Application Questions for appointment as Person In Day-to-Day Charge

Background

This Appendix should be read in conjunction with Policy No. 2.5 Determining the Responsible Person Present (the Policy). All definitions used in this Appendix are as defined in the Policy unless stated otherwise.

It is a requirement of our approval under the National Law that we have a Responsible Person in day-to-day charge of John Street at all times. The 'Responsible Person' can be:

- the Approved Provider (or person with management or control)
- a Nominated Supervisor; or
- a 'Person In Day-To-Day Charge'.

In the absence of the Director as the Nominated Supervisor, and the 2IC as the person in day-to-day charge when the Director is not physically present, other educators may be considered as a 'Responsible Person' and placed in day-to-day charge during these times.

Process for being appointed as a Person In Day-to-Day Charge and Responsible Person

In order to be eligible to act as the Responsible Person, educators must first satisfy the Director that they are Competent to be a Person In Day-To-Day Charge. They must also provide written consent to being such a person and to acting as a Responsible Person.

To be considered, the applicant (the **Applicant**) will need to demonstrate their competencies and answer a series of questions, as set out in this document.

Required competencies

To be Competent, an Applicant will need to demonstrate:

- They are 18 years or older.
- They have adequate knowledge and understanding of the provision of education and care to children, including:
- They have successfully completed Child Protection Training, if required by the Victoria's regulating authority.
- They have the ability to effectively supervise and manage an education and care service.
- A knowledge of:
 - The *Education and Care Services National Law Act 2010*, and the *Education and Care Services National Regulations 2011*
 - Equal Opportunity Employment Conditions and the *Professional Child Care Standards 2012*

- Health and Safety, including Child Protection responsibilities
- Privacy, Confidentiality and Equal Opportunity/Anti-Discrimination policies and procedures
- John Street Community Early Childhood Cooperative's policies and procedures.

In assessing whether an Applicant is Competent, the Approved Provider or the Nominated Supervisor must have regard to:

- The person's history of compliance with the National Law and other relevant laws.
- Any decision under the Law to refuse, suspend, refuse to renew, or cancel a licence, approval, registration, certification or other authorisation granted to the person under the National Law and other relevant laws.

Rejection and withdrawal of approval

Approval by the Centre to act as a Person In Day-to-Day Charge is at the Director's discretion and can be withdrawn by the Director (for example, if they come to believe that competencies may have lapsed or there are other reasons why the individual is not suitable to act in the role).

Approval as a Person in Day-to-Day Charge merely qualifies an Applicant to be considered for the role of Responsible Person from time to time; it does not guarantee that they will be allocated this responsibility. Appointment of any individual as a Responsible Person is always at the Director's (or 2IC's) discretion.
