

Visiting Santa at the Shopping Centre

**On Sunday I am going to visit Santa
at the Shopping Centre.**

When I visit Santa, I might have to wait a short time.

While I wait I can watch Santa with the other children or look at the Christmas decorations.

When it is my turn, I can say hello to Santa or wave.

Santa is very friendly and is very excited to see me.

**I can sit on Santa's knee, sit on his chair next to him,
or stand next to him.**

Santa will ask me what I would like for Christmas. I can tell him what toys I want, but I will have to wait until Christmas to receive them.

I will get a photo with Santa. I can look at the camera and smile.

When I have finished getting my photo, Santa will give me a special present to take home.

Seeing Santa is fun!
