Going to the Dentist

Sometimes I may need to go to the dentist.

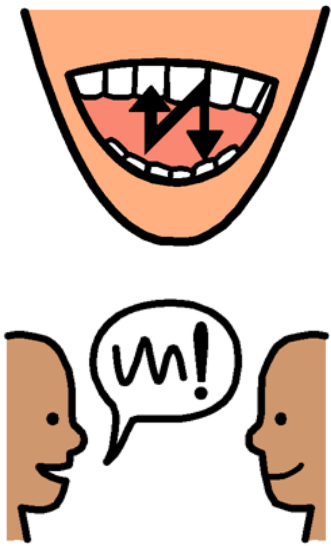

The dentist is a special doctor who helps with teeth.

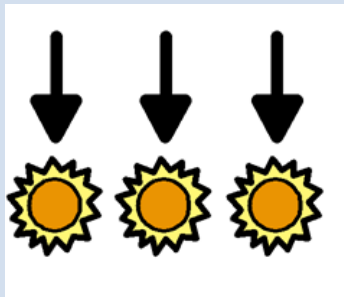

It's important to have healthy teeth.

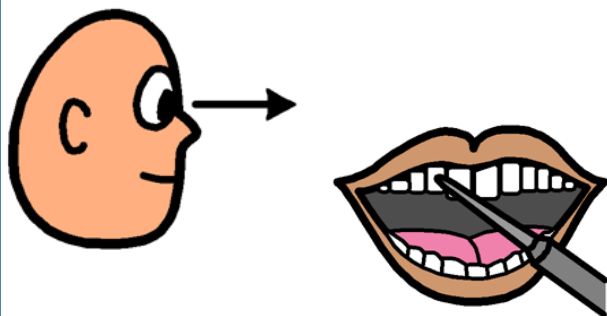

Going to the Dentist

Teeth help me to eat and talk.

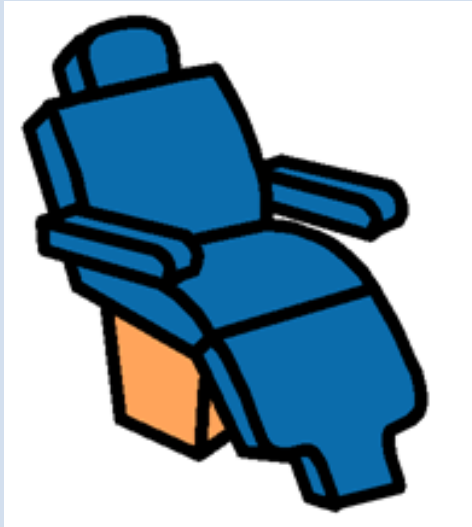

I need to keep my teeth healthy. I can try to do this by brushing my teeth every day.

Sometimes the dentist may need to look at my teeth.

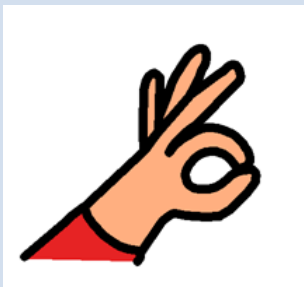

Going to the Dentist

I will sit in a special chair with a big light

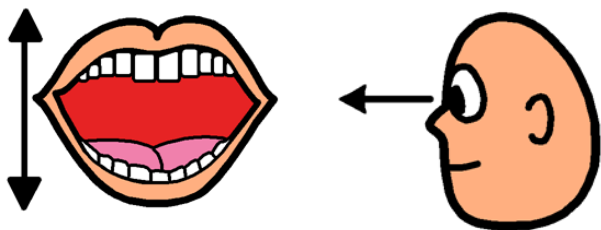

The dentist may ask me to open my mouth so he can see my teeth.

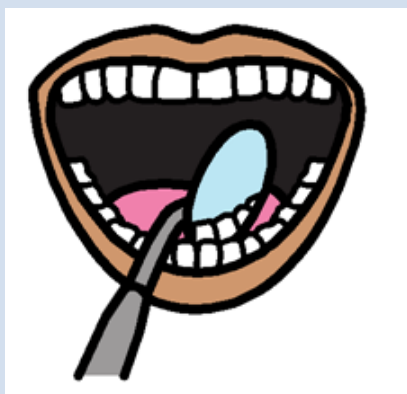

It's ok, he will help me to keep my teeth healthy and strong.

Going to the Dentist

I need to try and hold my mouth open so he can look at my teeth.

The dentist may put something in my mouth so that he can check them.

It's ok, I can try to wait until the dentist is finished.
