

Autism Professional Learning Calendar 2018

The Autism Association of Western Australia provides professional learning for a variety of audiences including teachers and other professionals working in the field, parents and their families, employers, students and for those interested in Autism Spectrum Disorder (ASD).

All of our training seminars are developed with access to current peer reviewed research in the field of Autism and are designed with the learning needs of our audience in mind. See our calendar below.

New intensive workshop: *Thinking Socially and Regulating Emotions

This workshop is for teaching staff who have attended one of our 1 day professional seminars. It is a ½ day workshop which focuses on using practical tools from Social Thinking Curriculum “Zones of Regulation” to give you experience and practice with using these programmes effectively in your school.
