Create a Junior Cricket Registration Form

- By creating a Junior Cricket Registration form you can customise to include the relevant information and questions for your club
- Your club registrar would be familiar with this procedure as they would of set up all the other Registration Forms for your club
- Clubs can adjust fees to suit their needs. You may need to consider:
 - Player Uniforms
 - Mandatory \$5 insurance
 - Other expenses you'll need to recover (trophies, wind up, coach payments etc.)
 - Use of your ground for home games
 - There are no fees from the WACA to be part of the competition (umpires, balls etc.)

The screenshot shows the WACA Junior Registration Form page. On the left is a green shield logo with 'JUNIOR COMP'. To the right are two circular logos: 'CRICKET GIRLS LEAGUE' and 'JUNIOR ENDORSED FORMATS'. Below these are links to 'Learn more about Girls League Cricket' and 'Learn more about Junior Endorsed Formats'. An orange 'Register >' button is on the far right. The main content is a table titled 'Junior Registration Form' with columns for 'MEMBERSHIP' and 'REGISTER BY'. The 'Youth Integrated Cricket League (Yr 7-12)' row is circled in red.
