

Top 10 Tips for Clubs: to Create Inclusion for Children with Autism

- 1** Make a commitment to Autism awareness- display our Autism in Cricket poster at your club
- 2** Follow us on Facebook for ongoing updates that you can share on your club social media pages to increase awareness
- 3** Make sure you check all you registrations preseason and identify children who have Autism
- 4** Develop a process that ensures all coaches and managers contact the parents of children who do have Autism to ask the parents what they need to know to prepare for a successful first day
- 5** Set up a positive open relationship with the parents so they can guide the club on what support their son or daughter needs
- 6** Support coaches to feel confident throughout the season and allow for flexibility in the training/game environment
- 7** Join the team; email us on autismincricket@autism.org.au and we can help you, by providing training and ongoing support to your coaches and managers
- 8** Download our resources from our website www.autismincricket.com.au and watch our great simple videos for coaches, parents and clubs
- 9** Create roles in your club for kids with Autism who want to be part of your club but are not yet interested in playing the game
- 10** Embrace Autism, and increase Autism awareness across all players in your club. Go to our page www.autismheroes.autism.org.au for a great Peer awareness video
