Further to previous discussions with the Logan City Council (“Council”) in relation to the current assessment timeframe for the above application, which has been extended by agreement until the **13<sup>th</sup> October 2020**. This development application is currently in *Part 2 – Referral* stage of the *Development Assessment Rules (DAR)*.

Engagement with the Department of Natural Resources, Mines and Energy is ongoing and the applicant anticipates a response shortly. To this end, please take this correspondence as a request for Council’s agreement to further extend the agreed period under section 5.1 of the DAR. The Applicant refers to section 33 of the DAR which acknowledges that *any agreement for a further period under the DA Rules must be made before the end of the relevant period by notice between the parties*.

The Applicant requests agreement from Council to further extend the period for the Applicant to complete the Part 2 Referral actions. The requested extension is for **13 business days**, as provided for in section 5.1 of the DAR. Additionally, in reaching the agreement to extend the period under section 5.1, the Applicant also seeks to extend the period for Council to issue an Information Request by **13 business days**, being the further agreed period referred to under section 12.2 of the DAR.

The requested extensions would end on **30<sup>th</sup> October 2020**. The applicant requests Council issue confirmation of agreement to the extension. Should you require any further information, we would be pleased to assist.

Kind Regards,

**Nicholas Bailey – Director of Town Planning**
