Dear Sir/Madam

**RE: DEVELOPMENT APPLICATION COVER LETTER  
50-56 DERBY ROAD, LOGAN RESERVE QLD 4133**

We act on behalf of Quantum Investment Pty Ltd (the Applicant), in relation to a Development Application to be lodged with Logan City Council under the *Planning Act 2016* (the Planning Act). We have undertaken the assessment of a Development Application over land situated at 50-56 Derby Road, Logan Reserve Qld 4133, which seeks the following aspects of development:

- Preliminary Approval (including Variation Request) for Material Change of Use and Reconfiguring a Lot to vary the effect of the Logan Planning Scheme 2015 v9 (Planning Scheme) to adopt the planning framework of the Low Density Residential Zone; and
- Development Permit for Reconfiguring a Lot (1 into 36 residential lots plus new road and 1 x drainage reserve lot over 2 stages);

In accordance with Section 51 of the *Planning Act 2016*, we enclose the following to ensure that the application is considered properly made:

- Town Planning Report
- DA Form 1;
- Attachment A – Property Searches and Owners Consent;
- Attachment B – Proposal Plans;
- Attachment C – Code Compliance Tables;
- Attachment D – Engineering Services Report;
- Attachment E – Site Based Stormwater Management Plan;
- Attachment F – Engineering Code Compliance

In relation to the required Council Fees, we understand that the proposed development involves a “Tier 1” Variation Request as per Council’s *Register of cost-recovery fees and schedule of commercial and other charges 2024/2025* as illustrated in Table 1 below:

Table 1 - Register of cost-recovery fees and schedule of commercial and other charges 2022/2023 – Tier 1 Criteria

Tier 1 Criteria	Response
The material change of use (variation request) component complies with the zoning and/or zoning identified in any applicable Strategic Framework Land Use Planning.	The material change of use (variation request) component seeks to directly apply the same 'Categories of Development and Assessment' and the relevant 'Assessment Benchmarks' as those specified in the planning scheme for the low density residential zone (suburban precinct), noting that this zone is consistent with recent strategic planning and structure planning within the area.
No variations to the Categories of Development and Assessment as it relates to the applicable zone and use proposed.	As above, the material change of use (variation request) component seeks to directly apply the same 'Categories of Development and Assessment' and the relevant 'Assessment Benchmarks' as those specified in the planning scheme for the low-density residential zone, with no changes proposed to either. The only slight variation that is sought as part of the approval is to condition that the Categories of Development and Assessment for future ROL applications are to be based on the minimum lot size for the relevant zone/zone precinct specified in the Strategic Framework mapping at the time of lodgement. The purpose of this is to "future-proof" the preliminary approval component noting that the site is proposed to be changed to the suburban precinct as part of the draft Logan Plan 2025. This simply ensures that if the site is changed to the Suburban Precinct (from the current Village Precinct), that a future ROL application is able to be lodged (through Code Assessment) where compliant with the lot sizes in Table 5.6.1 - Reconfiguring a lot as it relates to the Suburban Precinct.
No variations to the assessment benchmarks (including acceptable outcomes) for assessable development and requirements for accepted development as it relates to the applicable zone and use proposed.	
If applicable, a Reconfiguring a Lot component is compliant with minimum and average lot sizes in the applicable zone.	Table 9.4.6.3.2 and AO3 of the Reconfiguring a Lot Code specifies a minimum lot size of 500m <sup>2</sup> (no minimum average lot size) within the low-density residential zone - village precinct. All lots exceed 500m <sup>2</sup> in area.

As the proposed development will comply with the above criteria, we understand that the Council Fees for the application will be capped at a maximum fee of **\$100,000**. This Council Fee will be paid upon receipt of the Notice of Account. Should any clarification be required, please contact me on (07) 3251 9456 or email at [liamwiley@saundershavill.com](mailto:liamwiley@saundershavill.com).

Yours sincerely
