**Subject:** COM/71/2017 - 81-93 School Road, Logan Reserve - Extension to Information Request Period

To Jonty Ryan,

The current period for responding to Council's information request for COM/71/2017 is 14<sup>th</sup> November 2020. As such, and on behalf of the applicant, we seek an extension to this period by an additional 6 months. The new response date will be 14<sup>th</sup> May 2020.

The above extension is requested due to the current applicant (having acquired the site from the original applicant) exploring integration of neighbouring properties into the overall design and the complexities involved with this. The current Covid-19 pandemic has also affected timeframes to respond to Council's request.

Should you have any further questions please do not hesitate to contact me on the below numbers.

Warm regards
