Good afternoon Liam,

Thank you for your time over the phone just now and the below background on the application.

As I mentioned I was under the impression that this was likely the case and happy to hold off on issuing the formal IR until a timeframe where I am able to discuss this in more detail with Adam and Katie.

Can we request to extend the Information Request period until Friday 30 January 2026 as per your recommendation?

I appreciate you taking the time to prepare the below. I hope you have an excellent afternoon and enjoy the weekend ahead!

Please do not hesitate to contact the undersigned should you have any further queries.

Kind regards,

Scott Robertson
