Dear Brianna,

Re: 'Notice to Stop a Current Period' – Applicant's 'Information Response Period' – Material Change of Use – Childcare Centre, Service Station & Food and Drink Outlets (including drive-through) (Development Permit) at 2-26 Hotz Rd, Logan Village QLD 4207 (SARA Ref: 2208-30692 SRA).

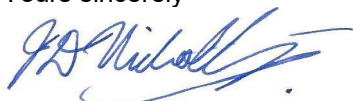

We write to advise that the applicant (**Start Yarrabilba Pty Ltd**) for the above-quoted development application is still working to review and address the items in SARA's information request. As the applicant's 'Information Response period' is due to expire after the 28th March 2023, please find this letter as a notice to 'stop the current period' (the applicant's 'information response period') for a period of up to 14 business days until the **18th April 2023** under *Section 32.4* of the *Development Assessment Rules* (the **DA rules**).

The applicant has also stopped the same period with the Logan City Council so that both assessing authorities response timeframes remain aligned. Please also be advised that a copy of this notice has been sent to the assessment manager in accordance with *Section 32.3* of the DA Rules.

We will provide further written advice if this notice is proposed to be extended or withdrawn under *Section 32.6* of the DA Rules and the current assessment timeframes restarted.

Thank you for your attention to this application, and should you wish to discuss this matter, please do not hesitate to contact the undersigned on **0421 559 066** or via email at jeff@jntownplanning.com.au.

Yours sincerely
