

Round Mountain

99 Pennine Drive – Signage Application Landscape Design Intent

Round Mountain.

99 Pennine Drive

Planting Strategy Plan

A mix of Australian Native grasses to be planted beneath and surrounding the billboard, to hide footings and integrate the sign into the surrounding landscape.

Refer to strategy plan for total plant numbers, garden area and species list below.

Round Mountain.

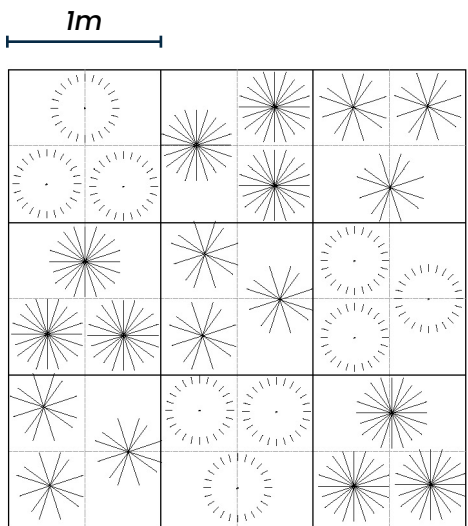

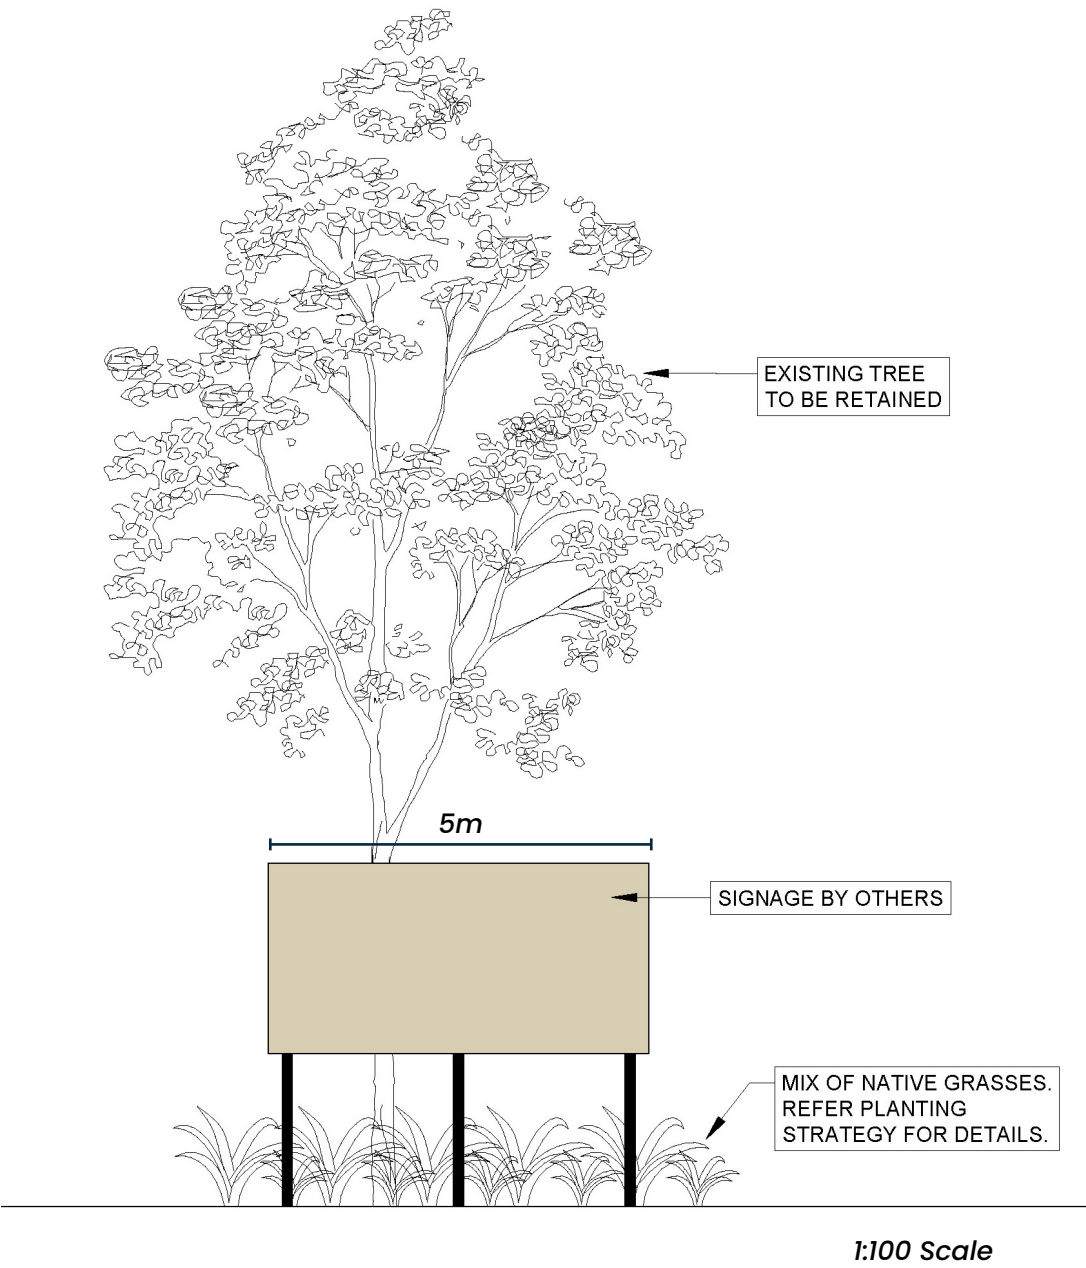

99 Pennine Drive

Indicative Elevation

Planting to reach no higher than 1m, and will not interrupt sightlines to the signage display.

The indicative elevation shows the proposed understory sitting below the sign.

The plant set out detail shows how the species are to be set out and distributed within the proposed garden bed extents.

PLANTING SET-OUT GUIDE.
3 SPECIES AT 3 PLANTS PER SQUARE METER,
IN CLUMPS OF 3.

1:50 Scale
