

STUDENT PHOTOGRAPHY CONSENT FORM

There are Commonwealth, State and Territory Privacy laws that relate to the taking and use of personal images without permission of the person being photographed and/or videoed.

Macquarie Community College (MCC) may take photos / videos of classes and students as part of training and assessment and /or use in publicity and promotional material. MCC recognises the importance of obtaining informed consent from students or their carers in compliance with various privacy laws.

This form asks for your permission to have your photograph / video taken which may be used in MCC promotional material either in hard copy and/or on-line and also gives the opportunity to withdraw your consent at a later date.

I consent to Macquarie Community College taking my photograph / video images and publishing them in the quarterly course catalogue, advertising material, the college website, social media sites and other promotional material.

If I later decide I no longer wish the college to use my photograph / video I understand I can contact the college and they will cease future use of the photographs / videos.
