An interview is an interesting way to present information. Usually in an interview, the reader or viewer gets the thoughts and opinions of the person being interviewed.

1. Do you think the information presented is true? What makes you think this?

2. What is the author's purpose for writing this book?

3. Do you think the author has checked all the information contained in this book to make sure it is true and correct? Explain your answer.

4. Do you think the author likes insects? Explain why or why not.

5. Do you think the author wants you to like flies, bugs, and beetles? Explain your answer.

6. Do you think the author wants you to visit places in the book to look at glow-worms? Explain your answer.

7. What other topics do you think this author might be interested in writing about?
