OUR PLACE, OUR HOME

Multicultural Arts Victoria

Melbourne Festival is launched by the First Peoples of the land with Tanderrum, and it's only fitting that it is signed off by our latest arrivals. ***Our Place, Our Home*** celebrates the extraordinary range of cultures making music in Victoria today, with performers tapping musical energies from many cultures, including Congolese, Oromo and Cuban.

Our Place, Our Home springs from Multicultural Arts Victoria's State of Culture Music Program, which for more than a decade has uncovered the most dynamic and diverse artists in Australia and propelled them into the spotlight.

With a line-up featuring seasoned virtuosos and the vanguard of a new generation, it's the perfect high note to finish the Festival.

This year's special event features the Gadda Band, Ignite, Adrian Eagle, Limbs to Riddims, Sky Voltage, highlighting rare and underrepresented styles, and celebrating diversity and culture. The perfect bookend to our opening ceremony from the land's First Peoples.

Presented with Multicultural Arts Victoria and MPavilion.
