

Companies/Business/Contractors Checklist

When requesting other Companies for quotes on Pencil Compaction, please ensure you ask them the following questions before making in decision as to which Company will be carries out the work.

Price should not be your only deciding factor.

Simply ask the person providing the quote the questions below and if any of the questions are answered **NO** contact **US** as we not only will answer **YES** to the questions below we will sign the form as well.

Other Companies may answer **Yes** to all the questions below but when asking them if they are prepared to sign the Form they may not.

If the Contractor is Genuine, signing this Form will not be a Problem.
