Introducing Hartley, our compact spotlight that offers the perfect combination of affordability and performance. Features include an integral driver, with very high TC point, that improves thermal performance and enhances the product lifetime. This contemporary spotlight uses spun aluminium reflectors that improve the optical performance and efficiently illuminates targeted areas. The head has a rotation angle up to 350°, which can illuminate shelving bays and entrances beautifully. An ideal, economical solution for retail and commercial applications.

Available Options:

- Lumen Output: Up to 2945lm
- System Power: 32W
- Beam Angle: 15°, 24°, 36°, 55°
- Dimming Type: Non-Dimmable
- Body/Trim Finish: White, Black
- Colour Temperature (CCT): 3000K, 4000K
- Colour Rendering Index (CRI): CRI90
