- 11.3 The purchaser must pay all money other than the deposit:
- to the vendor, or the vendor's legal practitioner or conveyancer; or
 - in accordance with a written direction of the vendor or the vendor's legal practitioner or conveyancer.
- 11.4 Payments may be made or tendered:

 - by cheque drawn on an authorised deposit-taking institution; or
 - by electronic funds transfer to a recipient having the appropriate facilities for receipt.
- However, unless otherwise agreed:
- payment may not be made by credit card, debit card or any other financial transfer system that allows for any chargeback or funds reversal other than for fraud or mistaken payment, and
 - any financial transfer or similar fees or deductions from the funds transferred, other than any fees charged by the recipient's authorised deposit-taking institution, must be paid by the remitter.
- 11.5 At settlement, the purchaser must pay the fees on up to three cheques drawn on an authorised deposit-taking institution. If the vendor requests that any additional cheques be drawn on an authorised deposit-taking institution, the vendor must reimburse the purchaser for the fees incurred.

- 11.6 Payment by electronic funds transfer is made when cleared funds are received in the recipient's bank account.
- 11.7 Before the funds are electronically transferred the intended recipient must be notified in writing and given sufficient particulars to readily identify the relevant transaction.
- 11.8 As soon as the funds have been electronically transferred the intended recipient must be provided with the relevant transaction number or reference details.
- 11.9 Each party must do everything reasonably necessary to assist the other party to trace and identify the recipient of any missing or mistaken payment and to recover the missing or mistaken payment.
- 11.10 For the purpose of this general condition 'authorised deposit-taking institution' means a body corporate for which an authority under section 9(3) of the *Banking Act 1959 (Cth)* is in force.

☒ **Special condition 2 – Acceptance of title**

General condition 12.4 is added:

- 12.4 Where the purchaser is deemed by section 27(7) of the *Sale of Land Act 1962* to have given the deposit release authorisation referred to in section 27(1), the purchaser is also deemed to have accepted title in the absence of any prior express objection to title.

☒ **Special condition 3 – Tax invoice**

- 13.3 If the vendor makes a taxable supply under this contract (that is not a margin scheme supply) and:
 - (a) the price includes GST; or
 - (b) the purchaser is obliged to pay an amount for GST in addition to the price (because the price is "plus GST" or under general condition 13.1(a), (b) or (c)), the purchaser is not obliged to pay the GST included in the price, or the additional amount payable for GST, until a tax invoice has been provided.

☒ **Special condition 4 – Adjustments**

- 15.3 The purchaser must provide copies of all certificates and other information used to calculate the adjustments under general condition 15, if requested by the vendor.

- 15A.2 Every vendor under this contract is a foreign resident for the purposes of this general condition unless the vendor gives the purchaser a clearance certificate issued by the Commissioner under section 14-220 (1) of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*. The specified period in the clearance certificate must include the actual date of settlement.
- 15A.3 This general condition only applies if the purchaser is required to pay the Commissioner an amount in accordance with section 14-200(3) or section 14-235 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* ("the amount") because one or more of the vendors is a foreign resident, the property has or will have a market value not less than the amount set out in section 14-215 of the legislation just after the transaction, and the transaction is not excluded under section 14-215(1) of the legislation.
- 15A.4 The amount is to be deducted from the vendor's entitlement to the contract consideration. The vendor must pay to the purchaser at settlement such part of the amount as is represented by non-monetary consideration.
- 15A.5 The purchaser must:
 - (a) engage a legal practitioner or conveyancer ("representative") to conduct all the

- legal aspects of settlement, including the performance of the purchaser's obligations under the legislation and this general condition; and

- 15A.6 The terms of the representative's engagement are taken to include instructions to have regard to the vendor's interests and instructions that the representative must:
 - (a) pay, or ensure payment of, the amount to the Commissioner in the manner required by the Commissioner and as soon as reasonably and practicably possible, from moneys under the control or direction of the representative in accordance with this general condition if the sale of the property settles;
 - (b) promptly provide the vendor with proof of payment; and
 - (c) otherwise comply, or ensure compliance, with this general condition; despite:
 - (d) any contrary instructions, other than from both the purchaser and the vendor; and
 - (e) any other provision in this contract to the contrary.
- 15A.7 The representative is taken to have complied with the requirements of general condition 15A.6 if:
 - (a) the settlement is conducted through the electronic conveyancing system operated by Property Exchange Australia Ltd or any other electronic conveyancing system agreed by the parties; and
 - (b) the amount is included in the settlement statement requiring payment to the Commissioner in respect of this transaction.
- 15A.8 Any clearance certificate or document evidencing variation of the amount in accordance with section 14-235(2) of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* must be given to the purchaser at least 5 business days before the due date for settlement.
- 15A.9 The vendor must provide the purchaser with such information as the purchaser requires to comply with the purchaser's obligation to pay the amount in accordance with section 14-200 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*. The information must be provided within 5 business days of request by the purchaser. The vendor warrants that the information the vendor provides is true and correct.
- 15A.10 The purchaser is responsible for any penalties or interest payable to the Commissioner on account of late payment of the amount.

☒ **Special condition 6 – Service**

General condition 17 is replaced with the following:

17. SERVICE

- 17.1 Any document required to be served by or on any party may be served by or on the legal practitioner or conveyancer for that party.
- 17.2 A document being a cooling off notice under section 31 of the *Sale of Land Act 1962* or a notice under general condition 14.2 (ending the contract if the loan is not approved) may be served on the vendor's legal practitioner, conveyancer or estate agent even if the estate agent's authority has formally expired at the time of service.
- 17.3 A document is sufficiently served:
 - (a) personally, or
 - (b) by pre-paid post, or
 - (c) in any manner authorized by law or by the Supreme Court for service of documents, including any manner authorised for service on or by a legal practitioner, whether or not the person serving or receiving the document is a legal practitioner, or
 - (d) by email.
- 17.4 Any document properly sent by:
 - (a) express post is taken to have been served on the next business day after posting, unless proved otherwise;
 - (b) priority post is taken to have been served on the fourth business day after posting, unless proved otherwise;
 - (c) regular post is taken to have been served on the sixth business day after posting, unless proved otherwise;
 - (d) email is taken to have been served at the time of receipt within the meaning of section 13A of the *Electronic Transactions (Victoria) Act 2000*.

☒ **Special condition 8 – Electronic conveyancing**

- 8.1 Settlement and lodgment of the instruments necessary to record the purchaser as registered proprietor of the land will be conducted electronically in accordance with the *Electronic Conveyancing National Law*. The parties may subsequently agree in writing that this special condition 8 applies even if the box next to it is not checked. This special condition 8 has priority over any other provision to the extent of any inconsistency.
- 8.2 A party must immediately give written notice if that party reasonably believes that settlement and lodgment can no longer be conducted electronically. Special condition 8 ceases to apply from when such a notice is given.
- 8.3 Each party must:
- (a) be, or engage a representative who is, a subscriber for the purposes of the *Electronic Conveyancing National Law*,
 - (b) ensure that all other persons for whom that party is responsible and who are associated with this transaction are, or engage, a subscriber for the purposes of the *Electronic Conveyancing National Law*, and
 - (c) conduct the transaction in accordance with the *Electronic Conveyancing National Law*.
- 8.4 The vendor must open the Electronic Workspace ("workspace") as soon as reasonably practicable. The inclusion of a specific date for settlement in a workspace is not of itself a promise to settle on that date. The workspace is an electronic address for the service of notices and for written communications for the purposes of any electronic transactions legislation.
- 8.5 The vendor must nominate a time of the day for locking of the workspace at least 7 days before the due date for settlement.
- 8.6 Settlement occurs when the workspace records that:
- (a) the exchange of funds or value between financial institutions in accordance with the instructions of the parties has occurred; or
 - (b) if there is no exchange of funds or value, the documents necessary to enable the purchaser to become registered proprietor of the land have been accepted for electronic lodgment.
- 8.7 The parties must do everything reasonably necessary to effect settlement:
- (a) electronically on the next business day, or
 - (b) at the option of either party, otherwise than electronically as soon as possible –
- if, after the locking of the workspace at the nominated settlement time, settlement in accordance with special condition 8.6 has not occurred by 4.00 pm, or 6.00 pm if the nominated time for settlement is after 4.00 pm.
- 8.8 Each party must do everything reasonably necessary to assist the other party to trace and identify the recipient of any missing or mistaken payment and to recover the missing or mistaken payment.
- 8.9 The vendor must before settlement:
- (a) deliver any keys, security devices and codes ("keys") to the estate agent named in the contract,

- (b) direct the estate agent to give the keys to the purchaser or the purchaser's nominee on notification of settlement by the vendor, the vendor's subscriber or the Electronic Network Operator;
 - (c) deliver all other physical documents and items (other than the goods sold by the contract) to which the purchaser is entitled at settlement, and any keys if not delivered to the estate agent, to the vendor's subscriber or, if there is no vendor's subscriber, confirm in writing to the purchaser that the vendor holds those documents, items and keys at the vendor's address set out in the contract, and
- give, or direct its subscriber to give, all those documents and items and any such keys to the purchaser or the purchaser's nominee on notification by the Electronic Network Operator of settlement.

8.10 The vendor must, at least 7 days before the due date for settlement, provide the original of any document required to be prepared by the vendor in accordance with general condition 6.

☐ **Special condition 9 – Deposit bond**

9.1 In this special condition:

- (a) "deposit bond" means an irrevocable undertaking by an issuer in a form satisfactory to the vendor to pay on demand an amount equal to the deposit or any unpaid part of the deposit. The deposit bond must have an expiry date at least 30 days after the agreed date for settlement.
- (b) "issuer" means an entity regulated by the Australian Prudential Regulatory Authority or the Reserve Bank of New Zealand;

9.2 The purchaser may deliver a deposit bond to the vendor's estate agent, legal practitioner or conveyancer within 7 days after the day of sale.

9.3 The purchaser may at least 30 days before a current deposit bond expires deliver a replacement deposit bond on the same terms and conditions.

- (d) the date on which the vendor ends this contract by accepting repudiation of it by the purchaser.

9.5 The vendor may claim on the deposit bond without prior notice if the purchaser defaults under this contract or repudiates this contract and the contract is ended. The amount paid by the issuer satisfies the obligations of the purchaser under special condition 9.4 to the extent of the payment.

9.6 Nothing in this special condition limits the rights of the vendor if the purchaser defaults under this contract or repudiates this contract, except as provided in special condition 9.5.

9.7 This special condition is subject to general condition 11.2.

☐ **Special condition 10 – Bank guarantee**

10.1 In this special condition:

- (a) "bank guarantee" means an unconditional and irrevocable guarantee or undertaking by a bank in a form satisfactory to the vendor to pay on demand any amount under this contract agreed in writing, and
- (b) "bank" means an authorised deposit-taking institution under the *Banking Act 1959 (Cth)*.

10.2 The purchaser may deliver a bank guarantee to the vendor's legal practitioner or conveyancer.

10.3 The purchaser must pay the amount secured by the bank guarantee to the vendor's legal practitioner or conveyancer on the first to occur of:

- 10.4 The vendor must return the bank guarantee document to the purchaser when the purchaser pays the amount secured by the bank guarantee in accordance with special condition 10.3.
- 10.5 The vendor may claim on the bank guarantee without prior notice if the purchaser defaults under this contract or repudiates this contract and the contract is ended. The amount paid by the bank satisfies the obligations of the purchaser under special condition 10.3 to the extent of the payment.
- 10.6 Nothing in this special condition limits the rights of the vendor if the purchaser defaults under this contract or repudiates this contract except as provided in special condition 10.5.
- 10.7 This special condition is subject to general condition 11.2.

☐ **Special condition 11 – Building report**

- 11.1 The purchaser may end this contract within 14 days from the day of sale if the purchaser:
- (a) obtains a written report from a registered building practitioner which discloses a current defect in a structure on the land and designates it as a major building defect;
 - (b) gives the vendor a copy of the report and a written notice ending this contract; and
 - (c) is not in then in default.
- 11.2 All money paid must be immediately refunded to the purchaser if the contract ends in accordance with this special condition.

- 12.4 The pest control operator may inspect the property at any reasonable time for the purpose of preparing the report.

7.1 This general condition applies if any part of the property is subject to a security interest to which the *Personal Property Securities Act 2009* (Cth) applies.

7.2 For the purposes of enabling the purchaser to search the Personal Property Securities Register for any security interests affecting any personal property for which the purchaser may be entitled to a release, statement, approval or correction in accordance with general condition 7.4, the purchaser may request the vendor to provide the vendor's date of birth to the purchaser. The vendor must comply with a request made by the purchaser under this condition if the purchaser makes the request at least 21 days before the due date for settlement.

7.3 If the purchaser is given the details of the vendor's date of birth under condition 7.2, the purchaser must

- (a) only use the vendor's date of birth for the purposes specified in condition 7.2; and
- (b) keep the date of birth of the vendor secure and confidential.

7.4 The vendor must ensure that at or before settlement, the purchaser receives—

- (a) a release from the secured party releasing the property from the security interest; or

- (b) a statement in writing in accordance with section 275(1)(b) of the *Personal Property Securities Act 2009* (Cth) setting out that the amount or obligation that is secured is nil at settlement; or
 - (c) a written approval or correction in accordance with section 275(1)(c) of the *Personal Property Securities Act 2009* (Cth) indicating that, on settlement, the personal property included in the contract is not or will not be property in which the security interest is granted.
- 7.5 Subject to general condition 7.6, the vendor is not obliged to ensure that the purchaser receives a release, statement, approval or correction in respect of personal property—
 - (a) that—
 - (i) the purchaser intends to use predominantly for personal, domestic or household purposes; and
 - (ii) has a market value of not more than \$5000 or, if a greater amount has been prescribed for the purposes of section 47(1) of the *Personal Property Securities Act 2009* (Cth), not more than that prescribed amount; or
 - (b) that is sold in the ordinary course of the vendor's business of selling personal property of that kind.
- 7.6 The vendor is obliged to ensure that the purchaser receives a release, statement, approval or correction in respect of personal property described in general condition 7.5 if—
 - (a) the personal property is of a kind that may or must be described by serial number in the Personal Property Securities Register; or
 - (b) the purchaser has actual or constructive knowledge that the sale constitutes a breach of the security agreement that provides for the security interest.
- 7.7 A release for the purposes of general condition 7.4(a) must be in writing.
- 7.8 A release for the purposes of general condition 7.4(a) must be effective in releasing the goods from the security interest and be in a form which allows the purchaser to take title to the goods free of that security interest.
- 7.9 If the purchaser receives a release under general condition 7.4(a) the purchaser must provide the vendor with a copy of the release at or as soon as practicable after settlement.
- 7.10 In addition to ensuring that a release is received under general condition 7.4(a), the vendor must ensure that at or before settlement the purchaser receives a written undertaking from a secured party to register a financing change statement to reflect that release if the property being released includes goods of a kind that are described by serial number in the Personal Property Securities Register.
- 7.11 The purchaser must advise the vendor of any security interest that is registered on or before the day of sale on the Personal Property Securities Register, which the purchaser reasonably requires to be released, at least 21 days before the due date for settlement.
- 7.12 The vendor may delay settlement until 21 days after the purchaser advises the vendor of the security interests that the purchaser reasonably requires to be released if the purchaser does not provide an advice under general condition 7.11.
- 7.13 If settlement is delayed under general condition 7.12 the purchaser must pay the vendor—
 - (a) interest from the due date for settlement until the date on which settlement occurs or 21 days after the vendor receives the advice, whichever is the earlier; and
 - (b) any reasonable costs incurred by the vendor as a result of the delay—
 as though the purchaser was in default.
- 7.14 The vendor is not required to ensure that the purchaser receives a release in respect of the land. This general condition 7.14 applies despite general condition 7.1.

7.15 Words and phrases which are defined in the *Personal Property Securities Act 2009* (Cth) have the same meaning in general condition 7 unless the context requires otherwise.

8. BUILDER WARRANTY INSURANCE

The vendor warrants that the vendor will provide at settlement details of any current builder warranty insurance in the vendor's possession relating to the property if requested in writing to do so at least 21 days before settlement.

9. GENERAL LAW LAND

- 9.1 This general condition only applies if any part of the land is not under the operation of the *Transfer of Land Act 1958*.
- 9.2 The vendor is taken to be the holder of an unencumbered estate in fee simple in the land if there is an unbroken chain of title starting at least 30 years before the day of sale proving on the face of the documents the ownership of the entire legal and equitable estate without the aid of other evidence.
- 9.3 The purchaser is entitled to inspect the vendor's chain of title on request at such place in Victoria as the vendor nominates.
- 9.4 The purchaser is taken to have accepted the vendor's title if:
- (a) 21 days have elapsed since the day of sale; and
 - (b) the purchaser has not reasonably objected to the title or reasonably required the vendor to remedy a defect in the title.
- 9.5 The contract will be at an end if:
- (a) the vendor gives the purchaser a notice that the vendor is unable or unwilling to satisfy the purchaser's objection or requirement and that the contract will end if the objection or requirement is not withdrawn within 14 days of the giving of the notice; and
 - (b) the objection or requirement is not withdrawn in that time.
- 9.6 If the contract ends in accordance with general condition 9.5, the deposit must be returned to the purchaser and neither party has a claim against the other in damages.
- 9.7 General condition 10.1 should be read, in respect of that part of the land which is not under the operation of the *Transfer of Land Act 1958*, as if the reference to 'registered proprietor' is a reference to 'owner'.

- 11.6 At settlement, the purchaser must pay the fees on up to three cheques drawn on authorised deposit-taking institution. If the vendor requests that any additional cheques be drawn on an authorised deposit-taking institution, the vendor must reimburse the purchaser for the fees incurred.

12. STAKEHOLDING

- 12.1 The deposit must be released to the vendor if:
 - (a) the vendor provides particulars, to the satisfaction of the purchaser, that either-

13. GST

- 13.1 The purchaser does not have to pay the vendor any GST payable by the vendor in respect of a taxable supply made under this contract in addition to the price unless the particulars of sale specify that the price is 'plus GST'. However the purchaser must pay to the vendor any GST payable by the vendor:
 - (a) solely as a result of any action taken or intended to be taken by the purchaser after the day of sale, including a change of use; or

 - (b) 'GST' includes penalties and interest.

14. LOAN

- 14.1 If the particulars of sale specify that this contract is subject to a loan being approved, this contract is subject to the lender approving the loan on the security of the property by the approval date or any later date allowed by the vendor.

21. NOTICES

The purchaser may enter the property to comply with that responsibility where action is required before settlement.

22. INSPECTION

The purchaser and/or another person authorised by the purchaser may inspect the property at any reasonable time during the 7 days preceding and including the settlement day.

23. TERMS CONTRACT

23.1 If this is a 'terms contract' as defined in the *Sale of Land Act 1962*:

- (b) the deposit and all other money payable under the contract (other than any money payable in excess of the amount required to so discharge the mortgage) must be paid to a legal practitioner or conveyancer or a licensed estate agent to be applied in or towards discharging the mortgage.

23.2 While any money remains owing each of the following applies:

- (a) the purchaser must maintain full damage and destruction insurance of the property and

public risk insurance noting all parties having an insurable interest with an insurer approved in writing by the vendor;

27. DEFAULT NOTICE

27.1 A party is not entitled to exercise any rights arising from the other party's default, other than the right to receive interest and the right to sue for money owing, until the other party is given and fails to comply with a written default notice.

27.2 The default notice must:

- (a) specify the particulars of the default; and
- (b) state that it is the offended party's intention to exercise the rights arising from the default unless, within 14 days of the notice being given -
 - (i) the default is remedied; and
 - (ii) the reasonable costs incurred as a result of the default and any interest payable are paid.

28. DEFAULT NOT REMEDIED

28.1 All unpaid money under the contract becomes immediately payable to the vendor if the default has been made by the purchaser and is not remedied and the costs and interest are not paid.

Due diligence checklist

What you need to know before buying a residential property

Before you buy a home, you should be aware of a range of issues that may affect that property and impose restrictions or obligations on you, if you buy it. This checklist aims to help you identify whether any of these issues will affect you. The questions are a starting point only and you may need to seek professional advice to answer some of them. You can find links to organisations and web pages that can help you learn more, by visiting the [Due diligence checklist page on the Consumer Affairs Victoria website](https://consumer.vic.gov.au/duediligencechecklist) (consumer.vic.gov.au/duediligencechecklist).

Urban living

Moving to the inner city?

High density areas are attractive for their entertainment and service areas, but these activities create increased traffic as well as noise and odours from businesses and people. Familiarising yourself with the character of the area will give you a balanced understanding of what to expect.

Is the property subject to an owners corporation?

If the property is part of a subdivision with common property such as driveways or grounds, it may be subject to an owners corporation. You may be required to pay fees and follow rules that restrict what you can do on your property, such as a ban on pet ownership.

Growth areas

Are you moving to a growth area?

You should investigate whether you will be required to pay a growth areas infrastructure contribution.

Flood and fire risk

Does this property experience flooding or bushfire?

Properties are sometimes subject to the risk of fire and flooding due to their location. You should properly investigate these risks and consider their implications for land management, buildings and insurance premiums.

Rural properties

Moving to the country?

If you are looking at property in a rural zone, consider:

- Is the surrounding land use compatible with your lifestyle expectations? Farming can create noise or odour that may be at odds with your expectations of a rural lifestyle.
- Are you considering removing native vegetation? There are regulations which affect your ability to remove native vegetation on private property.
- Do you understand your obligations to manage weeds and pest animals?

Can you build new dwellings?

Does the property adjoin crown land, have a water frontage, contain a disused government road, or are there any crown licences associated with the land?

Is there any earth resource activity such as mining in the area?

You may wish to find out more about exploration, mining and quarrying activity on or near the property and consider the issue of petroleum, geothermal and greenhouse gas sequestration permits, leases and licences, extractive industry authorisations and mineral licences.

Soil and groundwater contamination

Has previous land use affected the soil or groundwater?

You should consider whether past activities, including the use of adjacent land, may have caused contamination at the site and whether this may prevent you from doing certain things to or on the land in the future.

Land boundaries

Do you know the exact boundary of the property?

You should compare the measurements shown on the title document with actual fences and buildings on the property, to make sure the boundaries match. If you have concerns about this, you can speak to your lawyer or conveyancer, or commission a site survey to establish property boundaries.

Planning controls

Can you change how the property is used, or the buildings on it?

All land is subject to a planning scheme, run by the local council. How the property is zoned and any overlays that may apply, will determine how the land can be used. This may restrict such things as whether you can build on vacant land or how you can alter or develop the land and its buildings over time.

The local council can give you advice about the planning scheme, as well as details of any other restrictions that may apply, such as design guidelines or bushfire safety design. There may also be restrictions – known as encumbrances – on the property's title, which prevent you from developing the property. You can find out about encumbrances by looking at the section 32 statement.

Are there any proposed or granted planning permits?

The local council can advise you if there are any proposed or issued planning permits for any properties close by. Significant developments in your area may change the local 'character' (predominant style of the area) and may increase noise or traffic near the property.

Safety

Is the building safe to live in?

Building laws are in place to ensure building safety. Professional building inspections can help you assess the property for electrical safety, possible illegal building work, adequate pool or spa fencing and the presence of asbestos, termites, or other potential hazards.

Building permits

Have any buildings or retaining walls on the property been altered, or do you plan to alter them?

There are laws and regulations about how buildings and retaining walls are constructed, which you may wish to investigate to ensure any completed or proposed building work is approved. The local council may be able to give you information about any building permits issued for recent building works done to the property, and what you must do to plan new work. You can also commission a private building surveyor's assessment.

Are any recent building or renovation works covered by insurance?

Ask the vendor if there is any owner-builder insurance or builder's warranty to cover defects in the work done to the property.

Utilities and essential services

Does the property have working connections for water, sewerage, electricity, gas, telephone and internet?

Unconnected services may not be available, or may incur a fee to connect. You may also need to choose from a range of suppliers for these services. This may be particularly important in rural areas where some services are not available.

Buyers' rights

Do you know your rights when buying a property?

The contract of sale and section 32 statement contain important information about the property, so you should request to see these and read them thoroughly. Many people engage a lawyer or conveyancer to help them understand the contracts and ensure the sale goes through correctly. If you intend to hire a professional, you should consider speaking to them before you commit to the sale. There are also important rules about the way private sales and auctions are conducted. These may include a cooling-off period and specific rights associated with 'off the plan' sales. The important thing to remember is that, as the buyer, you have rights.

A committee may appoint members to a sub-committee without reference to the owners corporation.

3 Management and Administration

3.1 Metering of services and apportionment of costs of services

(2) If a supplier has issued an account to the owners corporation, the owners corporation cannot recover from the lot owner or occupier an amount which includes any amount that is able to be claimed as a concession or rebate by or on behalf of the lot owner or occupier from the relevant supplier.

(3) Subrule (2) does not apply if the concession or rebate—

(a) must be claimed by the lot owner or occupier and the owners corporation has given the lot owner or occupier an opportunity to claim it and the lot owner or occupier has not done so by the payment date set by the relevant supplier; or

(b) is paid directly to the lot owner or occupier as a refund.

4 Use of Common Property

4.1 Use of common property

(1) An owner or occupier of a lot must not obstruct the lawful use and enjoyment

of the common property by any other person entitled to use the common property.

5.2 External appearance of lots

(1) An owner or occupier of a lot must obtain the written approval of the owners corporation before making any changes to the external appearance of their lot.

(2) An owners corporation cannot unreasonably withhold approval, but may give approval subject to reasonable conditions to protect quiet enjoyment of other lot owners, structural integrity or the value of other lots and/or common property.

(3) The owners corporation cannot unreasonably prohibit the installation of sustainability items on the exterior of the lot, including by prohibiting the installation of a sustainability item only on aesthetic grounds.

(4) The owners corporation may require that the location of a sustainability item, or the works involved in installing a sustainability item, must not unreasonably disrupt the quiet enjoyment of other lot owners or occupiers or impede reasonable access to, or the use of, any other lot or the common property.

(5) The owners corporation may impose reasonable conditions on the installation of a sustainability item on the exterior of the lot related to the colour, mounting and location of the sustainability item provided that these conditions do not increase the cost of installing the sustainability item or reduce its impact as a sustainability item.

(8) This process is separate from and does not limit any further action under Part 10 of the Owners Corporations Act 2006.

Statement of Advice and Information for Prospective Purchasers and Lot Owners

Schedule 3, Regulation 17, Owners Corporation Regulations 2018

What is an Owners Corporation?

The lot you are considering buying is part of an owners corporation. Whenever a plan of subdivision creates common property, an owners corporation is responsible for managing the common property. A purchaser of a lot that is part of an owners corporation automatically becomes a member of the owners corporation when the transfer of that lot to the purchaser has been registered with Land Victoria.

If you buy into an owners corporation, you will be purchasing not only the individual property, but also ownership of, and the right to use, the common property as set out in the plan of subdivision. This common property may include driveways, stairs, paths, passages, lifts, lobbies, common garden areas and other facilities set up for use by owners and occupiers. In order to identify the boundary between the individual lot you are purchasing (for which the owner is solely responsible) and the common property (for which all members of the owners corporation are responsible), you should closely inspect the plan of subdivision.

How are decisions made by an Owners Corporation?

As an owner, you will be required to make financial contributions to the owners corporation, in particular for the repair, maintenance and management of the common property. Decisions as to the management of this common property will be the subject of collective decision making. Decisions as to these financial contributions, which may involve significant expenditure, will be decided by a vote.

Owners Corporation Rules

The owners corporation rules may deal with matters such as car parking, noise, pets, the appearance or use of lots, behaviour of owners, occupiers or guests and grievance procedures.

You should look at the owners corporation rules to consider any restrictions imposed by the rules.

Lot entitlement and lot liability

The plan of subdivision will also show your lot entitlement and lot liability. Lot liability represents the share of owners corporation expenses that each lot owner is required to pay.

Lot entitlement is an owner's share of ownership of the common property, which determines voting rights. You should make sure that the allocation of lot liability and entitlement for the lot you are considering buying seems fair and reasonable.

Further Information

If you are interested in finding out more about living in an owners corporation, you can contact Consumer Affairs Victoria. If you require further information about the particular owners corporation you are buying into you can inspect that owners corporation's information register.

Management of an Owners Corporation

An owners corporation may be self-managed by the lot owners or professionally managed by an owners corporation manager. If an owners corporation chooses to appoint a professional manager, it must be a manager registered with the Business Licensing Authority (BLA).

If you are uncertain about any aspect of the owners corporation or the documents you have received from the owners corporation, you should seek expert advice.
