Prepared by **BCI Building Consultancy & Inspections**

Before You Bid reports are **independent** and without influence from the seller. Downloading this report allows you to submit an offer with important information you need, including direct access to the inspector after download. You can consider this report yours to be relied upon, offering an additional layer of protection, and for serving the Report on the Seller, Seller Agent or Seller Representative, which may be required in the sales contract.

The home of property compliance and due diligence.
