

Configuration:

LA-423-01 4-Port USB Charger (North America)

Product Overview:

The LA-423 USB Charger is a four port-charging hub that can charge four Listen iDSP products simultaneously. Ideal for smaller venues. It is capable of putting out a total of 4.2A of charging power, and uses a standard, non polarized North American blade plug design. When not in use, the blades fold sideways into the charger, producing a sleek, slim package that can easily fit into a drawer, case, pocket or purse. A small LED on the front of the charger illuminates when the charger is plugged into a live power socket.

Highlights:

- Four port charging hub with North American plug
- Compact design and fold out plug make it easy for charging and storage
- Compatible with Listen iDSP receivers

Includes: One (1) LA-423 4-Port USB Charger
Four (4) LA-422 USB to Micro USB Cable
