Policy Statement:

My vision for the game is:
Netball is the first sport of choice for the youth of NSW.

My purpose is:
Everyday Netball provides the youth of NSW with the skills to grow and contribute positively to the community.

What defines me:
My integrity
My respect for people
My ability to look at things differently
My professionalism
My ability to inspire people to be the best they can be

Netball connects people. Netballers are passionate. I believe my passion for the game, my extensive experience and connections at all levels of the game and my business management skills allow me to excel in meeting the obligations and commitments required of a Director of Netball NSW. I am committed to ensuring Netball NSW is a high performing, innovative and sustainable organisation that engages, inspires and supports netball communities and women.
