

2020 Pathways Program

Expression of Interest - Coach and Support Staff

Background

Pathways Programs create an environment for athletes to realise their potential on court and grow as young women off court.

These programs play an integral part in continuing the strong tradition of netball as the number 1 female participation sport and for ensuring that NSW creates a winning culture for athletes who aspire to strive and shine.

Netball NSW is committed to value and support the Coaches, Managers and Support Staff that take up the exciting challenge of Pathways Netball.
