

Quick Reference Guide: NetSetGO Registration Link

The NetSetGO registration link is only available once a NetSetGO Centre's application has been approved by Netball Victoria. The registration link can be found in two places within MyNetball as the administrator.

This process is the same whether you are an Association, League or Club. You would just be in different modes.

Associations & Leagues can manage their sign-up form under **Management** or **Participation**.

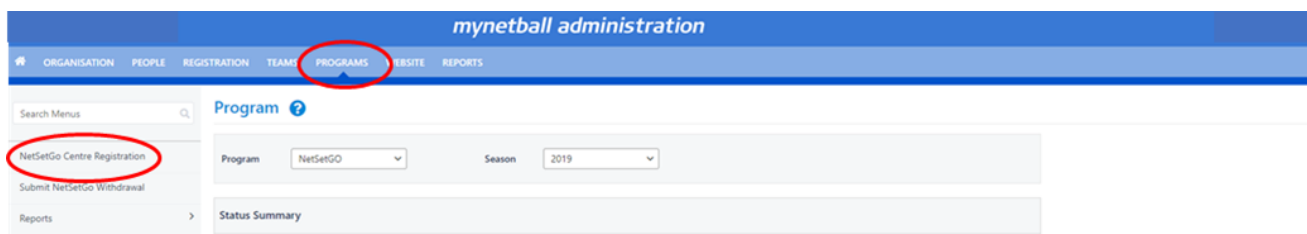

Clubs will not have the option to choose between management or participation, they will just be in participation.
