

Season Planning

When planning for the season, it's a good idea to ensure you include the following on your calendar:

- Training dates
- Competition dates
- Camps
- Club meetings or events
- Social events
- Fundraising events
- Dates for coach education courses, seminars or workshops (for your own training and development)
- If you have a mentor, include regular meeting dates with them

Use the annual calendar on the next page to record your coaching commitments for the year.

It's a good idea to also provide a copy of this to the participants you are coaching.
