BACKGROUND TO THE WA NETBALL LEAGUE

After 30 years of the WA Netball League (WANL) under a regional structure, WANL has undergone significant changes for 2019 and beyond. This is the result of the need to re-establish the footprint of this competition to play a pivotal role in the development of our high-performance players, coaches, umpires and officials, meeting the NWA High Performance Plan outcomes (Attachment 1).

This elite training and competition structure provides the best opportunities for players, coaches, umpires and officials to develop and maximise their abilities. WANL also serves as the primary pathway to the West Coast Fever Netball Club and Suncorp Super Netball Competition.

WANL Objectives are:

- To produce Australian Diamond, West Coast Fever and Suncorp Super Netball athletes;
- To provide an elite competition for state team athletes;
- To be the preeminent High-Performance competition in Australia that provides the best pathway development opportunities for our participants (athletes, coaches, umpires and bench officials);
- To formalise partnerships between WANL Clubs underpinned by various partnerships to ensure longevity of each WANL Club;
- To develop and implement financially sustainable clubs and a competition that will increase commercial and sponsorship opportunities for the sport, competition and teams;
- To raise and enhance the profile of netball in Western Australia.

In 2018, Netball WA awarded seven new clubs licenses to participate in the 2019-2021 WANL competition. Each of the seven clubs will field teams in the Women's Open and 20U divisions. Four clubs will field teams in the Men's division. The WANL competition has been developed to be the pre-eminent netball competition in Western Australia for women and men.

EXPRESSION OF INTEREST

Preliminary EOI Applications will open on Friday 8 February 2019 and close on Tuesday 23 April 2019. Interested parties must confirm their intent to submit an EOI by completing Part A and returning it to Netball WA by Friday 1 March 2019. It is the intent of this EOI to award an eighth club a license to participate in the Women's Opens and 20U divisions only for the 2020 and 2021 WANL seasons.

The WANL Expression of Interest (EOI) application process is being conducted with a view to finalising the participating club licenses by the end of May 2019.

Clubs will be advised of the outcome of the WANL Club selection process by Friday 31 May 2019. The timeline for this process is outlined on page 11.

PLEASE NOTE: Clubs affiliated to Netball Associations are required as a courtesy to officially notify the Association that they are intending to submit and EOI. The Association is required to acknowledge this on Form A where indicated.

WANL STRUCTURE

The competition will consist of a maximum of eight (8) clubs and three (3) divisions:

Women:	Open	(maximum 8 Teams)
	20 and Under (20U)	(maximum 8 Teams)
Men:	Open	(minimum 4 Teams)

The license granted from this EOI will be for a 2-year period 2020 – 2021 and is for the Women’s Open and 20U only.

A component of the EOI assessment and selection process will take into consideration the location of clubs to ensure that the competition achieves a geographical spread where possible.

SEASON TIMING

Matches will be held predominately on Friday nights between April and September, dependent on venue availability.

Season timing may be impacted year to year by Netball Australia competitions, namely Suncorp Super Netball (SSN) and Australian Netball League (ANL).

COMPETITION ROUNDS AND FINALS

All teams will play each other a minimum of twice throughout the season. Matches will be played at a central venue with some games played at home venues. The number of home games will be at the sole discretion of NWA.

WANL Final Series will run across a 3-week period – Semi-Finals (week 1), Preliminary Final (week 2) and Grand Final (week 3).

Indicative 2020 WANL competition dates:

Time Frames	Competition Component
TBC	WANL Pre-season competition
29 May 2020	WANL Minor Rounds commence
4 September 2020	WANL Finals series commences (3 weeks)
18 September 2020	WANL Grand Finals

WANL OWNERSHIP AND MANAGEMENT

WANL will be owned and operated by NWA. These properties will be licensed by NWA to Club management, under the conditions of the Club Participation Agreement (CPA) which is currently under development.

WANL is intended to be structured to ensure that, to the greatest extent possible, participation is not fraught with a high level of financial risk and clubs have the best opportunity to participate on an equal footing. NWA will oversee the competition, commercial and operational guidelines, media, key commercial relationships, and relationships with participating teams.

- Provide the best opportunity for athletes to develop and display their skills;
- Provide opportunity to compete within a high-performance system that is orderly and fair;

These categories will be announced to the teams as the competition sponsors are confirmed, and no later than six (6) months prior to the commencement of the 2020 season.

Clubs will not be permitted to sell any commercial properties or sponsorship to parties whose products, brands or interests are deemed to be within the categories of the Competition Sponsors.

Clubs will be assigned specific commercial properties by NWA for sale to sponsors. These properties will include rights to sell specific elements of signage at matches, branding on club apparel/uniforms, and product endorsements, as well as other properties.

NWA reserves the right to implement a League and team licensing and merchandise program. NWA will provide no less than six (6) months notice to teams before implementing a licensing program across the League.

WANL Licensees will be responsible for marketing and promoting their own clubs.

their club and the WANL competition. Club management has a specific obligation to ensure that the club is financially secure and does not incur financial or legal liabilities.

Club Management will be required to advise NWA of any impending commercial arrangements, prior to entering into those agreements. Club management must not compromise the competition or the club in any way, including actions which would breach commercial arrangements entered by NWA, or otherwise damage the interests of NWA. Further, agreements which make commitments beyond the agreed club licence period must not be entered.

Full disclosure of club finances and commercial arrangements to NWA will be a mandatory requirement for participating clubs.

Clubs participating in WANL must undertake to perform on-court to the best of their ability at all times, according to the rules of the game, and also to comply with any other requirements of NWA in respect of the game format.
