

## FLO STARCEVICH PROFILE

Flo Starceвич who many will remember as the jovial, fun-loving Manager of Australian 21U teams, passed away in Melbourne December 2008 following a trip to attend the annual Netball Australia Awards. With such a deep passion and involvement in all areas of netball she was determined to be there and see her netball friends.

"Flo was a well-respected and much-loved member of the netball family, who contributed enormously to the netball community from the grassroots to the Australian teams," Netball Australia President Noeleen Dix said.

Flo was heavily involved with Western Australian netball as a player, coach, selector, team manager for many State and State League teams and a Board member of the West Australian Netball Association from 1994-1996.

Flo was team manager of the Perth Orioles in the inaugural year of the Commonwealth Bank Trophy in 1997 and in 1998. Flo was also the Team Manager for the Australian 21U team from 1992-2000, where her empathy and understanding of athletes and support for team officials was invaluable.
