- 1.1.7 Netball Queensland may impose a fine or loss of points on any team if they are found to have contravened or disregarded any rules of the Competition.
- 1.1.8 The webpage for the QPL is <http://qld.netball.com.au/queensland-premier-league/>.

1.2. Summary

- 1.2.1. The Queensland Premier League (QPL) exists to provide a multi-division state wide competition to determine the best Association teams in Queensland. It caters for netballers turning 15 or older in the year of the competition and includes Open, Men's, 16U and 18U (and possibly

Mixed) Divisions. The QPL culminates in a QPL State Finals event where the winning teams from each Zone come together from around Queensland to battle it out to be crowned State Champions.

1.3 Vision

1.3.1. The QPL Competition aims to:

- 1.3.1.1. Create a high level of competition for players, coaches, officials and umpires to further develop their skills regardless of their location in Queensland.
- 1.3.1.2. Provide opportunities for players, coaches, officials and umpires to be identified and afforded further opportunities commensurate with their capacity and/or potential.
- 1.3.1.3. Assist in growing the game of Netball across Queensland through promotion in various forms of digital, electronic and print media.
- 1.3.1.4. Provide an excellent participant experience to drive retention in Netball.

1.4. Objectives of the Queensland Premier League (QPL)

1.4.1. The objectives of the QPL are:

- 1.4.1.1. To maximise the number of Associations and teams that participate.
- 1.4.1.2. To ensure the competition format is delivered to best suit the local conditions and requirements.
- 1.4.1.3. To ensure that teams play an appropriate number of games within their Zone to provide the desired benefit to their netball.
- 1.4.1.4. To provide an opportunity for netballers from all over Queensland with an opportunity to compete against peers from other Associations.

1.5. Queensland Premier League (QPL)

1.5.1. Netball Queensland Associations are allocated into one of six Zones around Queensland. If Association wishes to move the majority of their teams to a different Zone they must complete the Zone Reallocation Form in [Appendix 3](#). Associations may enter teams in different Zones, and do not need to complete the Zone Reallocation Form, as long as this relates to the minority of

their teams. Please note there are some restrictions in relation to QPL State Finals eligibility for teams playing in different Zones, which are outlined in this manual.

- 1.5.2. If an Association wishes to enter a single team in a different Zone to their allocated Zone, they should do this via the team nomination process. There is no need to complete the Zone Reallocation Form in this instance.
- 1.5.3. The current Zone Allocation Schedule can be found in [Appendix 8](#).

1.6. Sponsorship

- 1.6.1. The name/logo of the Naming Rights sponsor for the competition may be required to be attached to the positional patches of all teams. If this is a requirement, then Netball Queensland will advise all Associations and provide the attachment.
- 1.6.2. When negotiating sponsorships for teams taking part in this competition, the Zone Committee and Associations must not enter into agreements with any parties that will conflict with existing exclusive sponsors of Netball Queensland. Zone Committees and Associations are advised to contact the Netball Queensland Commercial Department for clarification on category eligibility. Netball Queensland exclusive sponsor categories in 2018 are:
 - 1.6.2.1. Activewear – Lorna Jane
 - 1.6.2.2. Netballs - Gilbert
- 1.6.3. A sponsor's logo or name may appear on the team playing uniform, and prior approval must be sought from Netball Queensland.
- 1.6.4. Should point 1.6.1 not apply, then a team sponsor's logo or name may appear on the positional bibs, above the lettering. Only one sponsor's logo or name may appear on the positional bibs, both back and front.
- 1.6.5. A sponsor's logo or name may appear on the front chest of the team uniform, and must not exceed 138cm², with a maximum length of 23cm, and a maximum height of 6cm.

1.7. **Uniforms**

- 1.7.1. Associations should provide their Zone Committee with details of their proposed uniform for approval prior to production. This is purely to ensure two teams do not finish up with the same uniform in the same competition. A sample of the material or colour photograph must accompany the written application.
- 1.7.2. A team is not permitted to alter its colours or uniform design without first obtaining approval from their respective Zone Committee. Netball Queensland will not be held responsible for the outcome of retrospective approvals where your uniform has been produced prior to seeking approval.

3.2.6. Import Players must comply with all Player Eligibility rules.

3.2.7. Import Players may only register as an import player with one (1) Association in any given calendar year, although this may be across more than one competition.

3.2.9. Teams receiving Import Players must obtain a letter of release from the association the player belongs to. This letter must be submitted to the Zone Committee with a written application for an import player prior to the close of team nominations.

3.3. **Dual Memberships**

3.3.1. Players with dual membership (i.e. signed on at two (2) or more associations in the given year) must represent only one (1) association in the given year at any of the Netball Queensland

competitions, with the exception of Import Players (see section 5.4). Netball Queensland competitions include State Age Championships, Queensland Cup and QPL.

3.4. **Player Registration**

3.4.1. Players who are originally nominated through the MyNetball *Team Nomination Process*, as per Point 2.4.9, shall be deemed the registered players for this competition.

3.4.2. A Replacement Player may only be added to the **registered squad** team if another player is removed from the team permanently and approval is sought from the Zone Committee. Applications are to be made using the replacement player form and must be accompanied by appropriate supporting documentation, such as a medical certificate or verification of unforeseen unavailability.

3.5. **Player Movement**

3.5.1. Where, for any reason, one (1) or more registered players are not available for a match and replacement players are required, such players may only be drawn from the **registered squad** of 15 players:

3.5.2.6. 4th 16U (Lowest)

- 3.5.2.7. Any QPL player, in a weekly competition, who plays in a higher division is not allowed to play in a lower Division, until they have played less than 25% of QPL quarters in the most recent consecutive four (4) games the team has played. Byes do not count in the four-week period. The QPL definition of a “quarter” for this clause **and** for finals eligibility is the completion of a full match quarter.
- 3.5.2.8. For the avoidance of doubt, this does permit a QPL player to be elevated into a higher team and play a full game and still be eligible for her regular team that week, however this cannot be done more than once in a four-week period.
- 3.5.2.9. QPL players may move between teams in the same division, unless they have played more than 25% of quarters in the previous four (4) rounds for a single team, up to including the current week.

3.5.3. **Replacement players**

3.5.4. Replacement Players must meet the requirements in Player Eligibility

3.5.5. For a player to be released a Permanent Replacement Player form must be completed and submitted with appropriate documentation to the Zone Committee for approval.

3.5.7. Temporary Replacement Players

3.5.7.1. Where a player needs to be replaced temporarily, the Association may elevate a registered player from a lower Division team without approval from NQ. Teams should be aware in this case the regulations outlined in 4.5 will apply.

3.5.7.2. Where a registered player needs to be replaced, and the Association wishes to select a player from outside their registered squad, approval from Zone Committee is required and the Association will be required to provide a medical certificate or similarly valid documentation to Zone Committee. The temporary replacement player may play in place of the injured player for the period that the injured or unavailable player is stated to be unavailable for on their medical certificate or similarly valid documentation or until they meet the conditions of clause 5.7.8.5

- 3.5.7.3. In relation to Clause 5.4.7 special dispensation may be sought by the QPL Association and the Licensee from NQ to allow the Temporary Replacement Player to return to their QPL team, despite potentially having played more than 25% of quarters in the preceding four rounds. This player will be granted 25% of quarters for games missed in QPL, in relation their eligibility for QPL Finals, while acting as Temporary Replacement Player in the QSNL
- 3.5.7.4. A *Replacement Player Form* (refer [Appendix 6](#)) **must** be submitted to the Zone Committee where possible no later than 48 hrs before a match is scheduled to ensure that the team may receive any necessary approval prior to the match(es) in question.
- 3.5.8. Long Term Replacement Players
- 3.5.8.1. In an instance where a player will continue as a Replacement Player for the remainder of the season, they must become a Long Term Replacement Player.
- 3.5.8.2. Long Term Replacement Players may be drawn from anywhere but must be registered with Netball Queensland and be approved by NQ before they can take the court. The player must meet all relevant eligibility rules as outlined in Clause 4, to participate in the QPL competition.
- 3.5.8.3. When Long Term Replacement Players are selected, the Manager must submit all relevant documentation to Zone Committee at least 48 hours prior to the player taking the court.
- 3.5.8.4. Long Term Replacement Players replacing a player with a medical certificate or similarly valid documentation may adopt the quarters played to date by the replaced player. Alternately, the club may choose to share the quarters of the replaced player between the replacement and another player within the team. The purpose of this clause is to ensure that teams are able to enter the final series with a full squad of players. Any player being added to the contract list, will require approval from Netball Queensland to ensure the integrity of the competition.
- 3.5.8.5. A *Temporary Replacement Player* may only play 25% of the season's quarters before they are required to become a *Long Term Replacement Player*, for which another player in the Squad must be released.

4. QPL Finals Series

4.1. Eligibility for QPL State and Zone Final Series

- 4.1.1. All Players must be financial with their Association and Netball Queensland.
- 4.1.2. For the purposes of QPL Zone and State Finals eligibility, one (1) quarter is considered to be the completion of a full match quarter in their respective Zone Competition. Where a player is substituted on or off during a quarter of play, this quarter will not be included in any finals eligibility or qualification calculations.
- 4.1.3. The team manager is responsible for recording the quarters played for their team on the MyNetball system within 48 hours of the match being completed.
- 4.1.4. In order to be eligible for Zone finals and QPL State Finals a player must have played a minimum of 25% of the quarters of the regular season. For example, in a 10 game season, a player must have played at least 10 quarters to be eligible for Zone and QPL State Finals.
- 4.1.5. In the instance that registered players cannot comply with 5.8.5 due to injury or prolonged illness, or other unforeseen circumstances a request for an adjustment may be submitted to Netball Queensland in writing and must be accompanied by a dated medical certificate or appropriate documentation, prior to the final round of the competition.
- 4.1.6. If, as per clause 5.8.6 an adjustment is approved, the player will be granted 25% of the total number of quarters the Player was deemed medically unfit or unavailable for, where unavailability was for an unforeseen circumstance. For the avoidance of doubt, players will not be granted adjustments for taking holidays, exams, normal employment routines, school commitments (events) or short term illnesses or injuries (less than 2 weeks). In these cases, teams will need to ensure the player is provided with enough quarters to qualify through the balance of the regular season.
- 4.1.7. Should a team not have 12 available players for Zone or State QPL finals from within their registered list of players, the team may submit an application for a replacement player to be added to their squad. Any player who has qualified (player 25% or more quarters of QSNL in the current season) is NOT eligible to be considered as a replacement player. The replacement player must come from the team's Association
- 4.1.8. All teams are required to submit a *QPL State Finals Series Squad List* ([Appendix 7](#)) List to Netball Queensland as per the due date specified in [Appendix 1](#).

 - 4.2.5.3. When goal percentages are used for determining final positions of teams under the above clauses, these shall be calculated in accordance with the following formula:
 - 4.2.5.4. 'Goals For' divided by 'Goals Against' multiplied by 100.
 - 4.2.5.5. If after ranking teams according to goal percentages to two (2) decimal points, teams remain tied, the result of the match between the two teams concerned during the preliminary rounds will decide the winner.
 - 4.2.5.6. If the two (2) teams drew their match, or if more than two (2) teams have the same number of points and percentage at the end of the preliminary rounds, then goal difference will be applied (i.e. the difference between goals for and goals against).
