

I am 22 years old and a family lawyer based in Whangarei. I love my work and find it very rewarding, but I am also a huge fan of pyjamas, hot chocolates and Animal Crossing. Balance, ya know?

What made you want to join the RY board?

Largely because of being prompted by my girlfriend!! RY is an organisation I am passionate about already, and a member of the rainbow community. I am also all about the inclusivity, having co-founded the University of Waikato's Women in Law Association for students. I would love to be able to help make some change to young people's lives in the community I have found myself feeling so at home in.

RainbowYOUTH is on a journey to proactively and respectfully uphold Te Tiriti o Waitangi. How would you contribute to this journey?

By being a supportive member and helping out in any way I can.

What particular skills do you think you have that would make you suitable for the RY board?

I have been the Vice President, Secretary and Co-Founder of the University of Waikato's Women in Law Association and have gained Executive Board skills through this. Because of my line of work, I am an effective communicator and love talking to people!
