Becoming a NewHope Member

Membership is a commitment to the health, heritage, future and governance of NewHope. We'd love for you to join us. To become a **NewHope Member** take this form to any NewHope staff member, talk it through and "catch" our passion. Fill it out together, learn about our Mission, Strategy and Vision (over), get it signed and submit it to the church office.

Membership by Baptism

Baptism is a wonderful act of commitment to Jesus and a witness of your faith in him. You need to prepare by taking the Baptism Class (contact the church office or email danny.hunt@newhope.net.au) and when you have been baptised you will automatically become a member of NewHope. Please give us a little detail.

Who is your Small Group leader (or ministry, other leader)?

In which month would you like to be baptised?
(Baptisms are normally conducted on the 4th Sunday)

Please skip to the last section and record your personal details. Bring this form with you to your baptism class and a NewHope Staff member will sponsor your membership. It will be a privilege to witness your baptism.
