

"Minute To Win It" Bible Edition

Bring Scripture into your family game nights with these fun Minute To Win It challenges! Tally up the points and see which family member (or team) takes out the win. Have fun!

Noah's Ark Animal Drop (Genesis 7:1-5)

You will need a jar and a bunch of plastic animals for each player. Each person puts the jar by their feet. While standing straight, each person holds an animal at the level of their nose and tries to drop it into the jar. The player or team that has the most animals in the jar at one minute wins.

Lost Sheep Gathering (Luke 15:3-7)

You will need a straw, equal amounts of marshmallows and a plate for each player. Each person will have one minute to get their marshmallows (sheep) onto the plate (the pen) using the suction of the straw only, no hands!

Joseph's Coat Drawing (Genesis 37:3)

Each player or team gets a blank piece of paper. They must hold it on top of their heads and draw a picture of Joseph's coat. Each player must use at least five colours. The player or team whose drawing looks the most like a coat at the end of one minute wins.

Goliath Ping Pong (1 Samuel 17)

For each player or team, fold a piece of paper in half and draw a picture of Goliath on one side. Place Goliath at one end of the table and have players stand at the other end facing their giant. Bounce a ping pong ball at least twice to knock over Goliath. The first person to do it in under a minute wins.

Stormy Seas Balloon Race (Mark 4:37)

Have each player or team fold a boat out of paper. Place the boats on the edge of the table. Then use a large untied balloon to try to blow the boats across the table, using the air in the balloon to push the boat. If the balloon runs out of air, then the player has to blow it back up. The player or team to get their boat the furthest in one minute wins.
