welcome from the headmaster

It is my pleasure to welcome you to All Souls St Gabriels School.

I take immense pride in leading a school that places genuine care, community, and purpose at the heart of everything we do. We are a school that nurtures not only learners, but thoughtful, grounded young people who are ready to take on the world with confidence.

Our students are supported to be curious, creative, and courageous — encouraged to think deeply, act with integrity, and grow into young adults who make a positive difference. Every child who joins ASSG becomes part of a connected and caring school community, where relationships matter and every success is celebrated.

I warmly invite you to visit and experience for yourself the spirit that defines ASSG.

Mr Shannon Lee
Headmaster

about us

Welcome to All Souls St Gabriels School

Where History is Respected, the Present is Celebrated, and the Future is Yours.

At All Souls St Gabriels School (ASSG), we believe that education is about more than academic achievement — it's about nurturing the whole child: mind, body and spirit.

For over a century, we've provided families with a distinctive and values-rich education that balances strong academic foundations with vibrant co-curricular opportunities and a spirit of service. As a co-educational day and boarding school for Pre-prep to Year 12, we are proud to walk alongside our students as they grow into confident, capable and compassionate young people.

Guided by our motto *Servire Regnare – to serve is to reign* – our students learn to lead with integrity, resilience and purpose. They leave ASSG equipped not only with knowledge and skills, but with a strong sense of identity and responsibility to their communities.

Located in the heart of Charters Towers, our school spans 45 hectares and blends historic charm with modern innovation. Our campus is a reflection of our values — spacious, welcoming, and thoughtfully designed to support every stage of a student's development.

From our spiritual hub, the Chapel and iconic Halse Hall dining facility to contemporary learning spaces, purpose-built boarding houses, and our state-of-the-art Design & Technology Centre, the grounds are as inspiring as the learning that takes place within them.

Expansive ovals and agricultural facilities, and a vibrant arts precinct create the freedom for students to explore their interests, forge connections, and thrive in a safe, community-centred setting.

Our approach to education is grounded in a Christian ethos that encourages compassion, service, and moral integrity. These values are woven into every aspect of school life — guiding how we teach, lead, and support our students to become thoughtful contributors to their communities.

At ASSG, your child will be known, supported, and inspired every step of the way.

master plan

We're currently undertaking an ambitious ten-year Master Plan that will transform our School into a unified, future-focused campus. This includes new flexible learning spaces, an expanded library and student hub, upgraded boarding facilities, improved traffic management, dedicated Junior and Senior School drop-off areas, and enhanced sporting precincts including new courts, athletics tracks and grandstand seating.

These upgrades are not only reshaping the physical landscape — they're creating a more inspiring, inclusive, and connected environment for every student.

strong foundations
inspire bright futures.

junior school

At All Souls St Gabriels School, our Junior School provides more than just a foundation — it offers a launchpad for life. From the earliest years, children are welcomed into a nurturing and engaging environment where curiosity is encouraged, individuality is celebrated, and every child is supported to grow into a capable, inquisitive learner.

Pre-Prep

Our Pre-prep program supports the intellectual, emotional, spiritual, physical and social development of each child in their critical early years. Grounded in the Early Years Learning Framework and the Queensland Kindergarten Learning Guidelines, our program is play-based, purposeful, and designed to ignite imagination while building confidence.

Children take part in engaging, hands-on experiences that help them explore, question and create. Our Pre-prep classroom is a vibrant, flexible space that supports movement, connection and discovery — with a focus on building the foundational skills needed for a smooth transition to school.

Supported by nurturing educators, children begin their learning journey in an environment where they feel safe, valued and excited to learn.

Junior School

Our Junior School offers a close-knit, community-centred environment where every child is known by name and encouraged to achieve their personal best.

With class sizes capped at 25 and specialist teachers for subjects such as Music, Drama, Health & Physical Education, Design and Technology, and German, our students benefit from focused instruction and a diverse, well-rounded curriculum. Learning is hands-on, engaging and personalised — designed to spark curiosity, build resilience and foster a love of discovery. We take pride in supporting students to take risks in their learning to foster their growth and development.

Beyond the classroom, students enjoy a rich variety of co-curricular activities including inter-house and inter-school sport, instrumental music, outdoor education experiences, exhibitions, and visiting educational programs. These experiences enhance learning and encourage social and emotional development.

Above all, our Junior School is a place where children feel a deep sense of belonging — supported every step of the way by passionate educators who work in partnership with families to guide each child's growth.

learners to leaders *preparing students for life beyond school.*

senior school

In the Senior School at All Souls St Gabriels School, students are empowered to take the lead in their learning journey. With individualised pathways, supportive teachers and real-world opportunities, our young people grow into confident, capable and values-driven graduates, ready to thrive in a rapidly changing world.

The transition into Senior School marks a new chapter — one of exploration, growth and increasing independence. At All Souls St Gabriels School, students in Years 7 to 12 are supported to take ownership of their learning and future direction through tailored academic and vocational pathways.

In Years 7 and 8, students engage in a broad curriculum with the support of strong pastoral care structures that ease the transition into secondary schooling. These early years are a time to build confidence, explore interests through rotational subjects, and develop productive learning habits.

By Years 9 and 10, students begin to make choices that align with their strengths and aspirations, selecting electives alongside core curriculum subjects.

In Years 11 and 12, these personalised learning journeys are further refined with options to pursue ATAR courses, extension subjects, or vocational education and training.

Our partnership with the Dalrymple Trade Training Centre opens up hands-on opportunities in industries such as engineering, construction, automotive and hospitality — giving students access to nationally recognised qualifications and real-world experience before graduation.

With small class sizes, experienced teachers and a Bring Your Own Device (BYOD) program, students benefit from a focused and flexible learning environment. Learning is complemented by diverse co-curricular options including competitive sport, performing arts, service projects, leadership programs and more.

Our Senior School shapes not only learners — but confident, future-ready individuals with strong character and a clear sense of purpose.

boarding

Boarding at All Souls St Gabriels School offers more than accommodation — it's a transformative experience that nurtures resilience, friendships, and self-reliance in a safe, supportive environment. For generations of students from across Northern Australia and beyond, our boarding community has been a place to call home.

For students from Year 6 to Year 12, boarding at All Souls St Gabriels School provides a unique opportunity to live and learn in a vibrant, inclusive community. Our boarders come from across Queensland, the Northern Territory, and nearby international locations — forming deep, lasting connections and developing independence, resilience, and confidence along the way.

The boarding precinct includes separate houses for boys and girls, each offering fully air-conditioned dormitories, personal study areas, filtered internet access and shared recreational spaces. A dedicated team of boarding staff provide round-the-clock care, creating a warm, structured environment where students feel known, safe and supported.

Daily routines are designed to balance academics, wellbeing and downtime. Supervised study periods help boarders stay on track with their learning, while weekends are filled with activities — from sports and cooking to craft, trips away, and downtime with friends. A fully staffed onsite medical clinic, three nutritious meals a day, and access to recreational facilities all contribute to a healthy and balanced boarding experience.

Our rural roots mean we understand the needs of students coming from station life or remote communities. Boarders are welcome to bring horses or cattle to school (conditions apply), and many participate in programs like Horse Club or Cattle Club — strengthening their connection to home and identity.

More than just a place to stay, boarding at ASSG builds young people of character. It's where friendships are forged, values are lived, and students are supported to grow into capable, grounded young adults.

learning through passion.
growing through action.

extra-curricular activities

At All Souls St Gabriels School we are committed to providing a holistic education that nurtures the academic, physical, and creative potential of every student. Our diverse programs are designed to foster excellence, leadership, and personal growth in a supportive and inclusive environment.

Sporting Opportunities

Students engage in a wide array of sporting opportunities through our involvement in inter-school competitions, club affiliations, and representation at the North Queensland, State and National levels. Our state-of-the-art facilities—including a heated swimming pool, floodlit oval, tennis courts, and a fully equipped gym—serve as the foundation for our comprehensive sports program. Additionally, our High Performance Athlete Development Program offers students personalised coaching and advanced training to excel in their chosen sports.

Rural Activities

Our Rural Activities Programs provide students with hands-on experience in horse sports and cattle handling/judging. Our Cattle Club members participate in regional tours and education programs that enhance practical skills and industry knowledge. We are proud to offer our students the opportunity to attend an annual Campdrafting Clinic run by renowned Campdrafters. These experiences not only build practical expertise but also instil confidence and teamwork.

Arts & Culture

Students are encouraged to explore their creative talents through our arts program, which includes instrumental music lessons conducted by experienced tutors. Students are prepared to participate in various ensembles and bands, expanding their artistic horizons. Our arts and drama curriculum further enriches students' cultural experiences, fostering creativity and expression. The school proudly presents a biannual musical, a hallmark of our cultural offerings. This collaborative endeavour showcases the talents of our students, who perform under the guidance of our dedicated staff. The production serves as a testament to our commitment to fostering creativity and artistic expression within our school community.

Duke of Edinburgh's Award

We proudly offer the Duke of Edinburgh's Award program, an internationally recognised initiative that encourages personal development through volunteering, physical activity, skills development, and adventurous journeys. Our extensive history in running this program ensures that students receive guidance and support to achieve Bronze, Silver, or Gold Awards, preparing them for leadership opportunities and future success.

start strong. *dream big.*
thrive here.

enrolment & scholarships

Enrolment

Choosing a school is one of the most important decisions a family can make — and at All Souls St Gabriels School, we're here to support you every step of the way.

We encourage all prospective families to speak with our enrolments team and book a personalised tour of the school. This is the best way to experience the spirit of ASSG, meet our staff, and see our vibrant learning and boarding environments in action.

Scholarships

Talent and dedication deserve to be nurtured.

Our range of academic scholarships supports students entering Year 7 or Year 11. These scholarships are designed to open doors for young people who are ready to contribute, grow and thrive within our school community.

A range of general scholarships are also available to assist families with their child's education.

Contact

Whether you have a question, would like to request more information, or are ready to begin your enrolment journey, our team is here to help.
