

A one of a kind opportunity in a private practice!

PHYSIOTHERAPIST

Interesting and varied caseload, supportive team,
\$10 000 PD fund to continue your learning.

We offer:

- A very unique opportunity for an experienced physiotherapist to continue developing their skills whilst having role autonomy to treat their way.
- Access to all Physiomentor Programs to upskill in private practice training (valued at over \$10 000). Check it out at www.physiomentor.biz
- Varied musculoskeletal caseload, in addition to mining, outreach, and much more.
- Flexible work hours and NO weekend work.
- Modern up-to-date facility with new equipment.
- Supportive and experienced team culture.
- Longer appointment slots.
- Regular in-services and 1:1 structured mentoring with a Physiomentor, in-house Orthopaedic Surgeon, and other Sports Medicine Professionals.
- Innovative progressive practice with a focus on hands-on treatments and exercise prescription.
- Functional capacity evaluations and pre-employment assessments.
- Exercise Physiologists also in the practice.
- A team of assistants and administration to support you every step of the way so you can focus on treating your patients with ultimate care.
