

To our valued Marina Customers,

The Breakwater Marina team wish to advise our community of the following closures over the festive period.

## The Marina Office will be CLOSED on Christmas Day, Boxing Day & New Years Day

Over the festive season and beyond, the Breakwater Marina Office remains open 7 days a week from 8am to 5pm, and on weekends you'll see weekend staff around the Marina between 8am and 5pm. Please note, that sometimes over the weekend they may need to be out in the Marina or attending boats at the Fuel Wharf - if the Marina office has a closed sign up you can easily call them on 4721 2233 or on their radios, there is a staff member onsite every weekend.
