## Additional Tuition Fees & Costs

### BUILDING FUND

A \$200 fee per family per year will be added to the family's first account. All families are encouraged to participate. The Building Fund Levy is applied to the College for the purpose of maintenance and upgrades to all buildings and facilities within the College.

*\$200 per annum.*

### VOCATIONAL EDUCATION & TRAINING (VET) COURSES

The College may offer access to Vocational Education courses, which we manage jointly with approved Registered Training Organisations, to eligible students. Costs will be charged to accounts as incurred, following a letter from the College advising families of the additional costs involved.

*Variable, depending from course to course, up to approximately \$4000.*

### ICT (INFORMATION & COMMUNICATIONS TECHNOLOGY) LEVY

The College operates a BYOD (Bring Your Own Device) program with a compulsory ICT levy applied annually for access to technology. This ICT levy applies to all students in Prep to Year 12.

*\$50 per annum.*

### BUILDING & CONSTRUCTION SUBJECT LEVY

Students in Years 9-12 who select Building & Construction as an elective subject will be charged a levy for access to building machinery, equipment and materials.

*Year 9 & 10 - \$125 per annum.*

*Year 11 & 12 - \$250 per annum.*

## Additional Non-Tuition Fees & Costs

### OVERSEAS STUDENT HEALTH COVER (OSHC)

In order to be granted a student visa, all applicants must provide evidence to the Department of Immigration that the student has OSHC for the duration of their visa. OSHC is arranged by families and as such costs are covered by them directly, and not charged to school accounts.

*Single cover for 12 months approximately \$700 (for visa duration – please see Bupa for an online calculation of exact cost).*

### SCHOOL UNIFORM

School uniform is compulsory. A uniform list is available to guide you with required uniforms for each year level. Uniform purchases are not charged to school accounts and families are to arrange purchase of uniforms for themselves through our uniform provider.

*Full school uniform approximately \$1,000 initial cost.*

### STATIONERY

The School operates a stationery shop. Charges may vary from year to year. Incidental stationery required by the student throughout the school term will be charged to student accounts each term. This excludes "Back to School" stationery required to be purchased by families at the start of each school year. Families may choose to purchase "Back to School" stationery from the College directly (this cannot be charged to accounts) or they may purchase items elsewhere.

*Variable, in the range of \$175 - \$350 per year depending on year level and subjects taken.*

### BRING YOUR OWN DEVICE

Families are required to arrange to purchase devices themselves and as such costs are covered by them directly, and not charged to school accounts.

*Approximately \$500 - \$1000 for an approved device (laptop).*

*Please note: The Additional Non-Tuition Fees & Costs are applicable to 2025 only and may increase for subsequent years.*
