# INTRODUCTION

The Blackthorn Scholars Program commenced in 2025 following a generous donation to the College Foundation, providing opportunities for students displaying excellence in education to further explore, evolve and expand their talents. This scholarship recognises students with outstanding academic promise and a drive to pursue further learning and career opportunities beyond their time at BTC.

Testing will be held on-site at Blackheath & Thornburgh College on the following dates:

- **Saturday 2 May, 2026**
- **Saturday 23 May, 2026**

Alternate testing dates can be considered and arranged through the College Registrar.
