

COURSE OUTLINE

Combined Pathway - Qualified Technical Person (QTP) Courses and Qualified Business Person (QBP) courses

You must hold an electrical contractor licence to perform electrical work for others as a sole trader, partnership or company. To apply for a Queensland Electrical Contractors licence you must nominate a person or persons that hold the required qualifications to meet the QTP (Qualified Technical Person) and QBP (Qualified Business Person) eligibility requirements:

QUALIFIED TECHNICAL PERSON (QTP)

UEEEL0002 - Apply currency of safe working practices and compliance verification of electrical installations

UEEEL0030 - Conduct compliance inspection of single-phase LV electrical installations

UEEEL0029 - Conduct compliance inspection of LV electrical installations with demand exceeding 100 A per phase

QUALIFIED BUSINESS PERSON (QBP)

UEECD0007 - Apply Occupational Health and Safety regulations, codes and practices in the workplace

UEEEL0040 - Develop compliance policies and plans to conduct an electrical contracting business

BSBESB402 - Establish Legal and Risk Management Requirements of Small Business

TRAINING & ASSESSMENT

UEECD0007: Training and assessment for this unit is online. We recommend completing the online component prior to attending class. The remaining units for both the QTP and QBP course can be completed face-to-face over 5 consecutive days in the classroom or completed as two separate courses the QTP (3 days) and QBP (2 day) courses.

QTP ELIGIBILITY – Electricians who hold the required pre-requisite qualification and/or work experience. We will verify your qualification, and we may request to verify your work experience if you completed a superseded Certificate III - Electrical qualification prior to confirming your enrolment in the course.

QBP ELIGIBILITY - Anyone with basic literacy and numeracy skills. You will be required to complete a short, 4 question Language, Literacy and Numeracy test prior before your enrolment is confirmed

See the worksafe website for further information about Electrical Contractor licences:
